EVENT SLATED FRIDAY NIGHT, HOURS 7 TO 10

"Cherokee Arrow" Is Said To Be The Largest Of Its Kind In The Nation

BACKGROUND GIVEN

Invitation to all residents of Transylvania county to attend "Open House" Friday at the Pisgah Forest branch of Olin Mathieson Chemical corporation is extended today by Philip C. Brownell, vice-president and manager of Ecusta Paper and Film divisions.

Held in honor of "The Cherokee Arrow," newest and largest of Ecusta's paper machines, the "Open House" will be held from 7 p. m. until 10 p. m.

Light refreshments will be served in the paper division's cafeteria, where special exhibits will be seen.

Since safety rules do not permit admittance of children to the plant, all persons attending the "Open House" are cautioned against bringing children under 14 years of age. Information about the tours will be available at the Ecusta Paper Division gatehouse as the visitors arrive.

Brownell Quoted

Mr. Brownell, in extending invitations to the Transylvania county residents, pointed out that completion of the new No. 10 machine is a big event in the history of the Ecusta Paper division. He extended congratulations to the persons who brought the project to completion, many of them being residents of the "Land of Waterfalls."

The new No. 10 machine was named "The Cherokee Arrow" in keeping with a custom of the paper industry to give names to paper machines. It conforms also to Ecusta's —Turn to Page Five

Brevard Chamber Of Commerce To Have One-Day Membership Drive Tuesday

Breakfast At Gaither's To Kick-Off Event. Projects Are Reviewed

Directors of the Brevard Chamber of Commerce will conduct their annual membership drive on Tuesday, May 5th.

The campaign will be kicked-off with a breakfast, country style, at Gaither's, beginning promptly at 8:00 o'clock.

Charlie Himes, chairman of the finance and membership committee, states that Tuesday will be the biggest day of the year for the Brevard Chamber of Commerce. He urges all directors to attend the breakfast and several other interested persons will assist in the drive on Tuesday.

At the present time the directors are carrying out more projects than ever before. President Gil Coan today lists only a few. Among these are: Work to attract more industries and businesses; promotion of the county as a tourist center; continued cooperation with the town and county in promoting better streets, roads and highways; developing of Franklin park; assisting Brevard college in its expansion program; mailing of thousands of pieces of literature to interested parties; encouragement of "trade at home"; and, maintaining of an office for assistance to townspeople and visitors alike.

Mrs. Lucy Ford, the executive secretary, points out that it takes money to run any business or any organization, and she says the directors would like for the membership to pay dues as early as possible in order that the commerce body would know exactly how much can be expended for community betterment.

Transylvania Humane Society Starts Work On Animal Shelter

The Transylvania county Humane society is happy to announce that the long sought and much needed animal shelter for the county is now under construction at the new site on Ross road. A septic tank has been installed and other plumbing work has been done. The small shelter is to be built under specifications of The American Humane association.

It is not anticipated that the building will be ready for use any time in the near future because of lack of funds to complete it. While the Humane society is now under the United Fund, it is to be understood that this money is for operating expenses only, and the organization must continue to raise funds for the construction of the shelter.

PAY RAISE IS BEING SOUGHT

Group Of Senators Favor Immediate Action. Work On Minimum Wage

Half the Senate went on record Tuesday in favor of pay raises for teachers and state employees higher than recommendations of Gov. Hodges and the Advisory Budget commission.

Sen. Edwin S. Lanier, of Orange, sent up a resolution, signed by 25 of the 50 senators, to direct the Appropriations committee to write the salary increases into the budget. The resolution asked pay boosts of about 7 per cent for teachers and other school personnel and 3½ to 4 per cent for other state workers.

Despite failure of an effort to immediately nail down the resolution, the action gave strong notice of pay raise sentiment to the Appropriations committee.
