ACTION TAKEN TUESDAY NIGHT, CALL SESSION

Provisions Of Act Are Outlined. Requirements Also Reviewed

DATES SUGGESTED

In a special meeting Tuesday night, the Brevard board of aldermen unanimously voted to request the General Assembly to pass a bill calling an election to determine whether residents of Brevard desire a town manager.

The proposed bill, which has already been delivered to Senator B. W. Thomason and Representative James C. Gaither, will require the board to call a special election prior to July 1, 1959, for the purpose of deciding the question. Consensus of the board seemed to be that, if the bill is passed in time, the election date will be set at the regular meeting of the board on June 1st. Since three weeks public notice is required, the election is expected to be set during the week of June 22nd, probably on Saturday, the 27th.

The bill provides for a modified "Plan D" form of town manager government. If passed upon by a majority of those voting in the election, the present system of electing five aldermen at large and a mayor who acts as judge over the Mayor's Court would be unchanged. However, all the administrative matters of the town would be under the authority of the town manager. The bill would require that the town manager be chosen by the board of aldermen solely upon the basis of his executive and administrative qualifications with special reference to his actual experience in, or his knowledge of, accepted practice in respect to his office.

He would be required to live within the town limits after his selection. No person now connected with the town would be eligible for appointment. The town manager would serve at the pleasure of the board of aldermen and re-

BLOODMOBILE TO RETURN, MAY 27

Chairman Norris Makes Plea For Donors. Jaycees Are Assisting

The American Red Cross bloodmobile will return to Brevard on Wednesday, May 27. The unit will be set up in the Pickelsimer building, directly across the street from the building formerly occupied by Roses, and will be in operation all day.

In announcing the coming of the bloodmobile, county blood bank chairman, Bill Norris, urges the townspeople in particular, to cooperate in the program.

"Last year Transylvania county contributed almost 800 pints of blood to this worthy cause," chairman Norris stated.

"Of that number over 750 pints came from our two large industries and the college. Many of those donating at these three places not even residents of this county. This is not a very healthy situation."

"Many people fear that there is great pain involved in giving blood. I would like to assure these people that this is not the case. Ask —Turn to Page Twelve

Boy Scouts To Hold Big Camporee This Week End

Transylvania Boy Scouts are making plans to attend the annual Camporee this week end.

The big event will be held at Pressley fields in upper Transylvania county on Friday, Saturday and Sunday.

The Camporee, according to Scout officials, is the semi-climax camping trip of the year for most of the troops in the Daniel Boone council.

It is the place where the troops can demonstrate their

ability to do a good job of camping, and the Scouts can also observe and learn from others in the district.

Some 100 Scouts in Transylvania are expected to attend the Camporee, and they will check in at Pressley fields around 6:00 o'clock.

Two big camp fires are planned. One Friday night and the other Saturday evening.

One of the highlight events will be the church service on Sunday morning, beginning at 10:00 o'clock, and the camporee will end after lunch that day.

The Camporee is being held for Boy Scouts only, but Explorers will assist as staff members.

Last Public Clinic For Polio Shots Is Scheduled Friday

A small amount of federal polio vaccine will be available at the new health center adjacent to WPNF on Friday, Dr. John Folger, county health officer, announces.

When this supply is exhausted, the only vaccine to be given at the health center will be to infants and children up to six years of age.

Dr. Folger explains that the attorney general has ruled that polio vaccine given at the health centers in the state will be administered only to children entering the schools for the first time this fall, those younger than this group and infants.

The hours of the clinic on Friday will be from nine in the morning until four in the afternoon.

Program Highlights

Special School Program Will Be Heard Saturday Morning Over WPNF

Henry R. Jacobsen, teacher at the Straus school and a member of the "Committee of One Hundred" of the State School Boards association, Inc., will be heard in a special broadcast over WPNF on Saturday morning at 10:30 o'clock.

Mr. Jacobsen's talk will be two-fold. First, he will discuss developments on the state level concerning school legislation, and second, he will outline some of the things which will be helpful in bringing about better schools.
