### FACILITIES ARE PRAISED, CLASSES BEGIN THURSDAY

New Auditorium And Gymnasium Being Completed. Round-Up Made

KIMZEY QUOTED

All of Transylvania schools are now open for the new term, and an increased enrollment is noted.

The opening of the schools here in Brevard and the rest of district one was postponed one week because of the slight delay in the construction of the new Brevard high school.

Students reported for teacher-pupil orientation day on Wednesday, and a full day of classes will be held on Thursday.

The school buses began their routes on Wednesday, and all cafeterias will be open on Thursday.

District two, including Rosman high, Rosman elementary and T. C. Henderson, began the new term last Thursday.

Although work is being continued in the auditorium and in the gym at the new high school, the modern plant was put into operation on Wednesday. Principal Robert T. Kimzey said the students are most impressed with the magnificent layout.

Some 550 students are attending this senior high school, and Principal Kimzey expects an even larger number to enroll.

In an address to the students Wednesday morning, Mr. Kimzey made a plea for continued cooperation, understanding and patience until all work is completed. He said there is not a finer high school anywhere in the Carolinas.

Highest enrollment in the county is at the Brevard elementary school, where 884 pupils reported on Wednesday.

## Brevard Music Center Ending A Busy Season, Next Year's Plans Being Made

Processing Of Applications For 1960 Started. Pfohl Expresses Appreciation

The Brevard Music center concludes summer activity this week with performances in Highlands and Charlotte and with work already underway for next year's camp and concert season.

The Transylvania Sinfonietta presented a program in the Community Theatre in Highlands on Monday evening, and the Brevard Music Center orchestra and soloists gave a pops concert in Charlotte on Tuesday night, sponsored by stations WBT and WFTV.

The Charlotte appearance was made in the portable orchestra shell being used on tour this summer by the Brevard Music center.

While in Charlotte, members of the orchestra recorded two 15-minute and one 30-minute television programs on video tape. These shows will be televised throughout the South during the winter in order to promote the work of the music center.

The music center staff is already processing applications for the 1960 camp session. This is the earliest in the camp's history that requests for entrance have been received. Next year, Transylvania Music camp will be held from June 24 through August 7, and the Brevard Music festival will be presented from August 8 through 28.

"The Gala Opera week end proved to be a wonderful finish to a most successful festival, and we look forward to having opera again in our programs," says James Christian Pfohl, director of the music center.

## Famed Shrine Organizations Will Pay Visit To Brevard

### BOOSTER CLUB SETS GOAL, 750

Additional Sports Added To Program. Many Activities Are Planned

The Blue Devil Boosters club met Tuesday night and adopted a proposal to set a goal of 750 members for the 1959-60 year. This is the highest goal that the Boosters have ever set, but the fact that basketball and baseball will also fall under this year's program was given as the reason for the need of a much larger membership. In past years, only the football program was aided by the Boosters.

Memberships will sell for \$2.00 each, and will again entitle the Booster's club members to sit in a special reserved section at all home football games. This section will be held for members until 15 minutes before game time. Members are urged to have their cards with them, for this is the only way that they will be admitted to the reserved section.

Other action taken at the meeting saw the club go on record to again give coffee and sandwiches to all officials at Brevard high school home games. This action received much favorable comment last year. The club also kicked-off the ticket sale by endorsing a contest to stimulate interest in ticket sales. The member selling the highest number of memberships will receive a free season ticket for next year's home football games.

The meeting, which was well attended was presided over by Bill Norris, this year's Booster's club president.

Overnight Stop To Be Made Here Next Wednesday. Breakfast Is Scheduled

Final plans have been completed for an Oasis Temple visitation to Brevard on Wednesday night and Thursday morning, September 9 and 10, it is announced by Henry R. Henderson, ambassador for Transylvania county.

All Shriners in Transylvania county will be guests of Oasis Temple for breakfast Thursday, September 10, at 8:00 o'clock, in the dining room at the Masonic temple on East Main street here.

The food will be prepared and served by the ladies of Pisgah Chapter, Order of the Eastern Star. Mr. Henderson, who is general chairman, has requested that all Shriners, who wish to attend the breakfast, please notify him. "Get your name in the pot not later than Saturday noon, September 5," Mr. Henderson says.

The caravan bus leaves Greensboro Wednesday morning, September 9, at 10:00 o'clock, for Charlotte and Hendersonville. At 6:30 o'clock the Motor Corps Maneuver Drill and the Dixie Land Band will give a program in front of the Skyland Hotel. The banquet will be in the dining room of the Skyland at 7:00 p. m. Around 9:30 p. m. the caravan bus will leave Hendersonville for Brevard and will stay at the Deerfield and Sunset motels. Several local Shriners are planning to go over to Hendersonville and escort the caravan bus to Brevard.

## Savings And Incentive Rewards Are Distributed To Employees At Du Pont

L. S. Grogan, Brevard plant manager of the E. I. Du Pont de Nemours & company, announced Tuesday the first distribution of Savings and Incentive Reward to employees who have participated in the company's "thrift plan" since its adoption four years earlier.

Approximately 39,000 employees of the company will receive 375,000 fifty dollar U. S. Savings bonds, representing employee savings of about \$14 million accumulated during their first year of participation in the plan.

Some 25,000 of these employees will also receive a share each of Du Pont common stock registered in their names. The stock is contributed

by the company as an incentive to those employees who participate in the plan.

Under the terms of the "thrift plan", any Du Pont employee who has completed at least two years of service with the company may enroll in the plan. Those electing to participate contribute from \$3.00 to \$9.00 per week from their pay to their "thrift plan" accounts. Money so contributed is used to purchase \$50 U. S. Savings bonds.

The company adds \$1.00 for every \$4.00 saved by each employee and the company's contribution is used to purchase Du Pont common stock registered in the employee's name.
