Brevard Elks Are Awarded Fine Trophy

The Brevard Elks lodge, No. 1768, was awarded a beautiful trophy at the Fall meeting of the North Carolina Elks association in Hendersonville for having the highest per capita contribution to the Elks National Foundation for the year, 1958-'59.

Exalted ruler, Howard Schmidt, accepted the trophy on behalf of the local lodge, and he paid high tribute to the work of Herbert F. Finck, chairman of the local committee of the National Foundation.

He also lauded past exalted ruler, Alvin J. Patterson.

"It was their work that resulted in Brevard winning the trophy," Mr. Schmidt declared.

The presentation was made by John Walker, past grand exalted ruler.

Mr. Schmidt points out that the Elks National Foundation is unique in that not one penny of the contribution of the funds is used for administration purposes.

This year more than \$100,000,000 will be distributed in scholarships.

LeRoy Orr, age 14, and Wade Carr, age four, both of Penrose, are still in the Transylvania Community hospital, where their condition is said to be very satisfactory, following a car-bicycle accident near Penrose last Wednesday afternoon.

According to Patrolman Jack Cabe, who investigated the accident, both boys were on the same bike and ran out of a dirt road into the path of a car driven by Mrs. Katie Betty Blythe, age 21. Mrs. Blythe was traveling on old highway 64 beyond Penrose in a 1953 Pontiac at the time of the accident. It was reported that Orr was riding the bike, doubling Carr.
