Schedule Announced

Beginner's Days And 1960 Pre-School Clinics Begin

Beginner's days and pre-school clinics in the Transylvania schools will begin next Tuesday, April 5. The first clinic will be held at the Rosenwald school, and the remainder of the schedule is as follows: April 19—Henderson, April 26—Rosman, May 3—Straus, May 10—Brevard, May 17—Pisgah Forest and May 24—Penrose.

The procedure has been changed somewhat this year, according to school and health officials.

The "Beginner's Day" will begin at the school at 9:00 o'clock until 10:30, when parents, children and teachers will have a "get together."

Then at 10:30, the parents and teachers will be taken to the new health center by bus. The county physician will discuss important information with parents, and all children who do not have a physical by that time will be given one.

School officials are making three requests, wherever possible, of all parents having children entering the first grade this fall:

- (1) Fill out an enrollment blank and return it to the school by April 1st.
 - (2) The child must attend the pre-school clinic on Beginner's Day.
 - (3) If possible, the child should have a physical examination by his or her family physician before the scheduled Beginner's Day.
- They also cite the North Carolina State law regarding beginners:
- (1) That in order for a child to enter school in 1960 he or she must be six years old before midnight October 15, 1960.
 - (2) That each child who enters school must have the following immunizations: (a) polio shots; (b) diphtheria; (c) smallpox; (d) whooping cough.

Capacity Crowd Expected At Commerce Banquet

All indications point to a capacity attendance at the '60 Brevard Chamber of Commerce banquet on Friday night, April 8.

James Q. Du Pont, an official of the E. I. Du Pont de Nemours company, of Wilmington, Delaware, will be the principal speaker at the event, which will be held in the cafeteria of the new Brevard senior high school.

"Jim" Du Pont is said to be an outstanding after-dinner speaker. Officials of one changer of commerce where he spoke recently in Pennsylvania wrote:

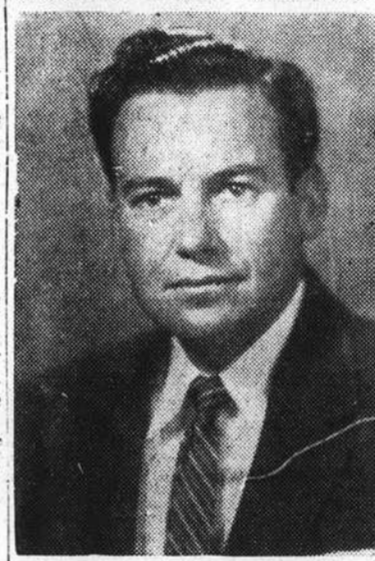

"After a full dinner, in a very warm and extremely crowded dining room, he held his audience spellbound. When he finished, the applause was so long and tumultuous that he had to take a curtain call to stop it!"

It is said of Mr. Du Pont that his dramatic, intense style adds greatly to the important content of his message.

Charles F. Himes, president of the Brevard chamber of commerce, says the local organization is fortunate indeed to have a man of Mr. Du Pont's calibre to speak at the banquet on April 8th.
