Spring Meeting Of College Trustees Highly Successful, Action Is Taken

Brevard college Trustees held a busy spring meeting last Friday at the local institution. After hearing several progressive reports, they decided to launch the first phase of a \$1,605,000 building program and elected a new chairman of the board.

President Emmett K. McLarty reported to the large group of business and professional leaders representing many sections of North Carolina that Brevard college is enjoying one of the most successful years in its history.

For the first time while he has been president, the college is discounting all bills and is expected to end the year with a \$25,000 excess in revenue above operational obligations.

The institution is looking forward to another year in 1961-62, and according to the president, more than 400 students are again anticipated.

He paid high tribute to the faculty and staff and lauded them on a "job well-done."

Col. W. Bryan Moore, of Wadesboro, was elected chairman, and he succeeds Edwin L. Jones, of Charlotte, who presided at the meeting. Roth Col. Moore and President McLarty highly complimented the outstanding work that Mr. Jones has done as chairman of the board.

The new chairman has been a trustee of Brevard college since 1944, and he is president of B. C. Moore and Sons, a chain of department stores in North and South Carolina, Georgia and Alabama.

Other officers elected at the meeting include Allen Sims, of Gastonia, vice chairman; Clifford Perry, of Winston-Salem, vice chairman; and Rev. James B. McLarty, of Concord, secretary.

Leslie Grogan, chairman of the building committee, presented to the board a campus plan outlining future construction. The first phase will include a science building and heating plant to cost \$350,000; a

Citizens Of Community Are Rebuilding Atwell Home

Representing a number of Brevard organizations and clubs, over a dozen community leaders met at Berry's for a Dutch luncheon Tuesday to discuss rebuilding the Atwell home, which was almost destroyed by fire on May 15th.

Rev. Courtney Ross presided over the informal session and Donald Lee Moore was the secretary to the group.

After free interchange of ideas and observations, the group voted to give the community an opportunity to help rebuild Bill Atwell's home, which is located just off Hahsee road.

A committee was appointed to make an estimate on the cost of the project and to promote the project by giving the people of Brevard and surrounding area an opportunity to make contributions in money or free labor.

Serving with the chairman on this committee are: Secretary Moore, C. E. Cochran, Jack Alexander, Don Wilson, and John Anderson.

Mr. Moore was also elected

treasurer for the project and all contributions should be sent to him.

Mr. Alexander, Mr. Ross, and Mr. Anderson were appointed to direct the promotion and publicity.

After the meeting, Mr. Cochran, Mr. Wilson and the chairman proceeded to the Atwell home where measurements were recorded as a basis for the estimates. Later Mr. Cochran reported that the Atwell home could be rebuilt for \$1850, (\$1100 for material; \$750 for labor), and a new house constructed on the same site for \$4400. If the community will respond, Mr. Cochran offered to supervise the construction of the project.

If enough free labor is offered at convenient times, it is possible that such can be used at certain stages of the project.

Through Station WPNF and The Transylvania Times, the publicity committee hopes to give the people

Bloodmobile To Visit Here Thursday

The American Red Cross Bloodmobile will be at the American Legion building on Thursday, May 26, during the hours of 10:00 to 12:00 and 1:00 to 4:00.

According to Robert T. Gash, local blood program chairman, the regional blood center is in desperate need of type O blood.

He stated that although other types of blood are on hand, the center had only three pints of O positive and two pints of O negative blood on hand. Because type O is the most common type, it is most in demand, and the supply has therefore been dangerously depleted.

Chairman Gash urges all persons, especially those having type O blood, to donate blood when the bloodmobile visits here on Thursday.

Bloodmobile doctor coverage for this trip is by members of the Transylvania County Medical society.

Memorial Day Services Set Next Monday

The invocation will be given by Rev. B. W. Thomason.

According to Mrs. Jack Gillespie, chairman of the memorial day program, graves of deceased veterans throughout Transylvania county will be decorated with memorial flags.

The public is cordially invited to attend this special service.

According to Vernon Fullbright, acting postmaster, the Brevard post office will be closed on Monday for the observance of Memorial Day.

There will be no delivery of rural or city mail, however, the general delivery window at the post office will be open from 11:30 a.m., until 12 noon.
