The event was in celebration of the Weeks Law, the act that established National forest in 1911. The anniversary is being observed all this week.

Here are remarks of Ranger Seely at the various stops:

Shining Rock "First I want to welcome you all to the Pisgah district of the Pisgah National Forest. Multiple use is a high priority, and this District has the second highest work load in the nation. It embraces 160,000 acres of National Forest lands, with a fire protection boundary of approximately 275,000 acres. Elevations run from 2,000 feet to over 6,000 feet. About 90% of the district

tracts, the first tract in 1916. "Here we are in the headwaters of Pigeon river. This tract of 44,000 acres was acquired from Sherwood Forest, Inc. in 1935. At one time this area was covered with virgin spruce and fir. About the time Suncrest Lumber company completed logging in 1925, one of their locomotives started a forest fire which burned over 25,000 acres. Again in 1942 approximately 13,-000 acres was burned over. Due to the intense fires, and later -Turn to Page Eight

Persons Wanting To Submit Asked To See Solicitor

The new General County court for Transylvania opens on Monday morning at 10:00 clock here in the court

All cases from previous Superior courts here in Transylvania below the grade of felony are being transferred, as prescribed by law, to this new county court.

It is understood that there will be about 170 eases on the first docket.

Robert T. Gash, the judge, advises all persons who wish to submit to see solicitor. J. Bruce Morten, prior to the opening of court at 19:00 a.m., on Monday.

"We are going to get down to business at that time," he declares.

The solicitor will be in the court room by 9:00 o'clock that morning, and he can be called or seen at his office before that time.

F. M. McCall, clerk of Superior court and also the General County court is carrying official notice in The Times that cases are being transferred to the new court. It can be found on page three,
