

Labor Day Activities To Climax Highly Successful Tourist Season, Stores Will Close

THREE ARMY HELICOPTERS were forced down because of the dense fog near Rosman last Thursday morning. Their successful landing was made in a field along U.S.

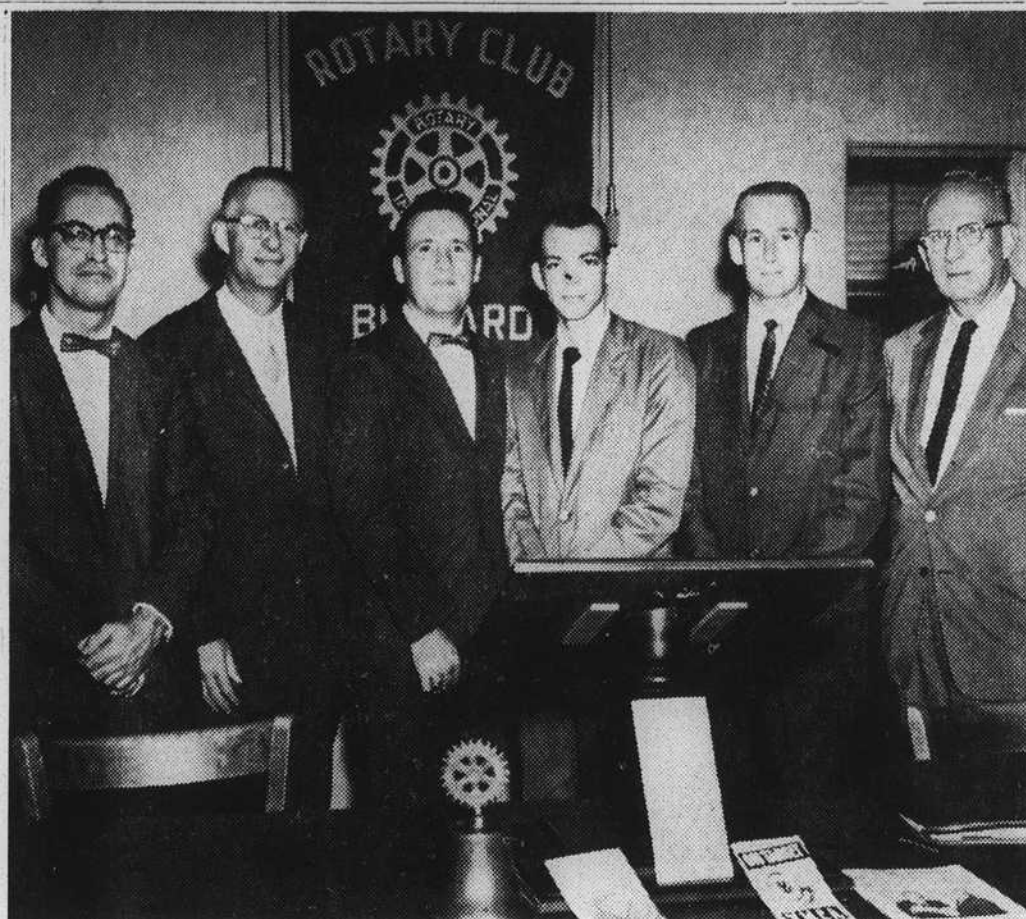

highway 64 across from the Almany Shell station. After several hours, they were able to resume their regular flight training schedule. (Times Staff Photo)

General County Court Postponed Until Tuesday

The General County Court of Transylvania will recess for Labor Day and will instead start hearing non-jury criminal cases on Tuesday, September 4th. All persons scheduled to appear on September 3rd, or whose cases have been continued from a previous court, should be in court at 9:30 a.m. on Tuesday, Judge Robert T. Gash announces. The only exception will be those persons who have previously requested a jury trial. Jury trials will start at 9:30 a.m. on Monday, September 10th.

Many Visitors Expected, Schools Open

Labor Day activities in Brevard and Transylvania counties will climax a highly successful 1962 vacation season here. Monday will be a holiday as stores and town and county offices will be closed. Offices in the court house will also close on Saturday. Schools, however, will not observe the Labor Day holiday. The Brevard Senior High school band will travel to Hendersonville that afternoon to participate in the annual Apple Festival parade. According to Postmaster C. Y. Patton, Jr., there will be no rural or city delivery of mail; however, the general delivery window will be open from 11:30 to 12:00 noon. The meetings of the Town Board of Aldermen and the Transylvania County Board of Commissioners have been postponed from Monday night until Tuesday night because of the holiday observance. The Aldermen will meet at 7:30 Tuesday night in the City Hall, and the Commissioners will meet at 8:00 p.m. that night in the Court House. Many picnickers and sightseers are expected in the Pisgah National Forest and Ranger Ted Seely predicts that recreation facilities will be filled to capacity. Charles Pickelsimer, president of the Brevard Rotary club, announces that the regular meeting of the Brevard Rotary held usually on Monday night, has been cancelled. The highway patrolmen in Transylvania urge all motorists to drive with extreme caution over the holidays, which is one of the most dangerous periods on the streets and highways.

BREVARD ROTARIANS are extensively investigating the possibility of establishing a YMCA in Brevard. Last week they met with officials of other clubs and heard YMCA executives outline plans for such a movement. Principal figures at the meeting are pictured above. From left to right, they are: Dr. Marius Wells,

who heads the project; George Abbott, secretary of the Asheville YMCA; Harold Myers, David Varner and Weldon English, members of the Rotary YMCA committee; and Dr. W. T. Osborne, of Charlotte, executive of the YMCAs in the Carolinas. (Times Staff Photo)

UF Budget For '63 Adopted, Donations Made, Rescue Squad

A budget of \$30,664.00 for 1963 for the Transylvania County United Fund, Inc. has been approved by the board of directors. This represents an increase of \$2,164.00 over the 1962 goal.

"We went over the top last year," John W. Bailey, president of the Fund, stated, "and I think we can do it again this year." Two new agencies have been included in the fund, the Brevard and Rosman Rescue squads.

"These new organizations merit the support of our citizens," Rev. Ben Ormand, chairman of the admissions and budget committee, stated. "They are already performing a vital service to our community." In addition to being included in the 1963 budget, each squad was given \$250.00 with which to purchase badly needed equipment.

Other agencies included in the fund are as follows: Lions club Blind Fund, \$350.00; Boy Scouts, \$4,097.00; Girl Scouts, \$2,805.00; Humane Society, \$800.00; Mary C. Jenkins Community Center, \$2,000.00; Red Cross, \$5,500.00; Salvation Army, \$3,000.00; Transylvania Hospital, \$1,000.00; Youth Association, \$4,600.00; Brevard Rescue Squad, \$1,400.00; Rosman Rescue Squad, \$1,050.00.

Carolinas United, a two-state organization which disburses funds to state and national organizations such as cancer and heart research, USO, maternal and child care, adoption services, delinquency and crime, recreational services, aid to travelers, and national social welfare, \$2,262.00. And Transylvania County Associated Charities, which handles local heart, cancer and crippled children cases, \$1,000.00.

Picnic Slated

Little Theatre Begins Annual Membership Drive

During the coming weeks, two important annual events of the Brevard Little Theatre will take place — the membership drive and the annual picnic.

The '62-63 membership drive again will be headed by Mrs. Jane Johnson who conducted last year's campaign which enabled BLT to start its season on a sound financial basis.

Mrs. Johnson reports that a large number of sponsors already have renewed their memberships. Others will be contacted within the coming two weeks, as will regular members. Sponsorships will again be \$10 and patronships will begin at \$25 dollars.

Mrs. Johnson states that she anticipates a highly successful campaign that should be completed within a very short time. "I feel confident not only that members of last year will renew their memberships but that many others who saw "Majority of One", "Watch on the Rhine" and "Arsenic and Old Lace" will wish to take advantage of the membership price as compared with the price of single admissions."

The other September event on the BLT agenda is the annual picnic which will be held at Camp Straus Sunday, September 16th, at 2:00 p.m.

It will be necessary to make reservations for the picnic as dessert and beverage will be furnished by BLT. Each family is

asked to bring sufficient food for its own group. Any who wish to bring hamburger or hot dogs to be cooked at the picnic may do so as facilities and a cook will be provided.

The entire BLT membership will be notified of the picnic and will be asked to make reservations by calling either Mrs. Loyce Dysart at Turner 883-3271 or Mrs. Johnson at Turner 883-3308.

BLT president Mel Everingham extends a special invitation to newcomers and any other persons who are interested in little theatre activities to come to the picnic and to bring their families.

Special entertainment for the occasion is being planned, with Maggie Masters as chairman.

Midgets, Mites Will Conduct Candy Sale

Members of the Midget and Mite football teams will have a house-to-house candy sale on Saturday, September 1st.

The boxes of almond coconut bars will sell for one dollar, and the proceeds will go toward the purchase of equipment for these two teams.

Pfohl Says Thanks

The Town of Brevard, the Brevard Music Center Committee and Brevard College were commended for "outstanding services" to the Music Center's 26th year by Center Director James Christian Pfohl.

Director Pfohl, in summing up what he considers the most successful summer, stated that a great deal of success could be attributed to local help and cooperation.

"There isn't any doubt our one biggest accomplishment this year was the Advanced Division," he said, "but without the splendid cooperation of Brevard College it would not have been possible."

The 60 students in the Advanced Division, about a dozen faculty members and those attending the string workshop and music critics' seminar were housed and fed at the College. Auditorium, practice room and library facilities of the college were also used.

Then, for the second year the highly successful piano workshop was conducted solely at the College. The College also served as headquarters for the first Southeast Composer's League Symposium and Federation of Music Clubs weekend.

Dr. Pfohl also noted the strong support given by the committee, headed by Taj Hanna as chairman. He especially praised the patron-sponsor drive conducted by the committee and pointed to the success for the second straight year of the Ball for faculty and staff sponsored by the Committee.

"The Ball is the really high point of the non-music activities of the Center," Dr. Pfohl stated. "and we sincerely appreciate all the work the Committee does in making it such a splendid affair." Mrs. Duncan Hunter was chairman of the Committee's —Turn to Page Five

College Expecting Capacity

More than 400 students have been accepted for the fall term at Brevard college, according to President Emmett K. McLarty.

All dormitory space for girls has been assigned, and plans are being made to house additional students in the infirmary and faculty homes if the need arises.

The new gymnasium is scheduled to be completed by the opening date of the new term, September 12th.

The summer months were busy ones for the campus, Dr. McLarty stated. The college has been host to 10 conferences and workshops during the summer, which brought a total of 535 persons to the campus.

Indications point to another good year for the local institution, he said.

Seeking New Quarters For Teen Center In Brevard

Search Made For Two Boys, Left School Tuesday

An extensive search is being made for two Transylvania youths who disappeared from the Brevard elementary school Tuesday morning.

The boys are believed to be hitch-hiking to Florida.

A classmate saw them looking at a map of Florida Tuesday about 10:00 a.m., in one of the rest rooms at the school. The boys are Joel Hubbard, son of Mr. and Mrs. Alton Hubbard, and Thomas Henderson, son of Mr. and Mrs. Douglas Henderson. They reside in the Rocky Hill section of the county.

Young Hubbard is 11 years of age and Henderson is 12.

When last seen, Hubbard was wearing a flowered shirt and brown pants, and Henderson had on a blue stripe shirt and blue jeans. The former weighs 95 pounds and has light blond hair and dark eyes. The latter is five feet, four inches tall and has reddish brown hair and brown eyes. The sheriff's department here has notified authorities along the route to Florida to be on the look-out for the two boys. Anybody having any information as to their whereabouts is asked to call the sheriff's office, 883-5811, or the city police at 883-2212.

The Transylvania Youth association, which operates the Teen-Age center in Brevard as one of its functions for the youth of Transylvania county, is looking for a new location. The old Sledge house on Jordan street, which has been used as a Teen Age Center since December, 1955, must be evacuated by October 1st. Anyone knowing of a building in Brevard which might serve as a Teen Age Center is asked to contact Lloyd Burhans.

The present building has rooms for table tennis, billiards, TV, reading, dancing, refreshments, cards and other table games. The center is open regularly on Tuesday, Friday and Saturday evenings throughout the year except at times when other youth activities, such as athletic events or dances, are in progress. The Teen Age Center is supervised by Mr. and Mrs. Fritz Merrell. "The entire youth program serves to fill a need in our time and our community. It is natural for most teen agers to form groups and to do things in groups. The Teen Age Center provides a good place for activities approved by most parents and well supervised. Most youth need to sound-off at times. At their center they can be noisy without disturbing other members of their family. It's a good place to let off steam," Mr. Burhans states.

The station also plans to air a short interview with Coach Bill Cathey prior to each Rosman game to be broadcast, and Owen-by-Brother's Amoco Service will again present "Blue Devil Warm-up" this season, just before each of the Brevard games. Station manager Al Martin will serve as play-by-play announcer. —Turn to Page Eight

Brevard Rescue Squad Purchases New Resuscitator

The Brevard Rescue Squad has purchased an Emerson model resuscitator, the newest type on the market today.

The order was placed following their regular meeting Tuesday night when a representative from the Southern Oxygen company, Kingsport, Tennessee, demonstrated various types. They also purchased a mouth to mask airway. The squad is now in the process of obtaining radio equipment.
