Lows of 25 at higher elevations and around 30 in the lowlands of Transylvania were expected Wednesday night.

On Thursday the weather will be cloudy with highs in the 60's.

The weather picture for the past week is carried elsewhere on this front page.

Tommy Gene Bowen and Leroy Osteen were found guilty of larceny of automobile and were given suspended sentences dependent upon six conditions.

During the court Judge Huskins handed down an order re-opening probation of James Golden who will now have to serve 24 months under supervision of the state prison department.

## Political Policy Of The Times Is Emphasized

Since the next issue of The Transylvania Times is the last one before the General Election on November 6th, no political advertising containing new issues or issues of a controversial nature will be accepted for publication on November 1st.

In fairness to all candidates, this is a rigid policy of The Times.

## Transylvania Youth To Stage "Trick Or Treat For UNICEF"

The children of many churches in Brevard and its surrounding communities will unite on Halloween in an effort to help the children of other nations. This effort will be in the form of a collection for UNICEF.

UNICEF is the United Nations Children's Fund that helps children in more than 100 countries. It is governed by a 30-nation executive board which meets semi-annually to establish the fund's policies, study government requests and make allocations. It is financed mainly by voluntary government contributions.

Aided governments also match UNICEF help by spending about \$2.50 of their own money on projects for every \$1.00 given by UNICEF. UNICEF is helping to improve health, nutrition and social services for some 55 million children and mothers.

The children who collect for UNICEF have agreed to give up the "treat" usually given them by their neighbors in exchange for pennies dropped into their milk containers. These pennies will be turned into milk, medical supplies and various other urgent necessities for children of the world.

Any church that may not have been contacted, or anyone else interested in participating may contact Mrs. Charles W. Cook, phone 883-4461.
