NEW BUILDINGS indicate progress, and the fine structure above is an example of the progressive attitude of the members of the Brevard Rescue squad. Under the supervision of Quartermaster Harry Ashworth and the guidance of Captain Jimmie Rowe, the group is erecting the building on

Fisher road, near College heights. The land and other assistance were given by the Transylvania Board of County Commissioners. The new home will be used to store the vast amount of equipment the squad has been able to acquire and for training and other sessions. (Times Staff Photo)

Local Republicans Score Two Upset Victories In Tuesday's Election

Blue Devils Are Again Rated Tops

Brevard's Blue Devils polled nine first place votes and rolled up 135 points to retain their grip on first place in the Charlotte Observer's weekly prep grid poll for the second straight week.

Shelby remained in second place behind Brevard with five first place votes and 119 total points. Roxboro was third with 101 points. Wilkes Central and Lumberton completed the top five AAA teams with 86 and 71 points respectively.

Winston-Salem Reynolds, who had to struggle to remain undefeated by edging East Forsyth 12-0 last week, retained their rating as the number one 4A team in the state.

The Blue Devils will meet East Forsyth next week in Asheville in first round AAA play-off competition. The loss to Reynolds was East's first of the year.

Voting Heavy, Count-Out Long, Laborious

Reflecting an expected national trend, Transylvania voters elected Republicans in two races in Tuesday's General Election.

William Leonard upset the Democrat incumbent, Jack H. Potts, by a vote of 3381 to 3152, while GOP candidate Carter McCall was victorious over Clyde Hubbard in the sheriff's race. The vote was 3425 to 2992.

In other races the Democrats were winners in the unofficial balloting.

According to Ralph Lyday, chairman of the Transylvania County Board of Elections, the vote will be canvassed at 11:00 o'clock on Thursday morning and will be declared official at that time.

For an off-year election, voting was regarded as heavy on Tuesday, with approximately 6500 Transylvanians going to the polls.

A tabulation of the unofficial returns appears at the top of this page, and readers are reminded that these figures are tentative.

The staffs of The Transylvania Times and Radio Station WPNE worked until 4:00 o'clock Wednesday morning bringing results of the election to listeners and to readers and they express sincere appreciation to election board officials, workers at the precincts, law enforcement agencies, the Brevard Rescue Squad, and others who assisted in the task of reporting the election.

Donald Lee Moore, who was unopposed for coroner, polled the highest vote with 4,092.

Change is Made

"Charley's Aunt" Will Be Presented, Nov. 15th, 17th

"Charley's Aunt", first production of the Brevard Little Theatre's 13th season, will be presented at the American Legion Hall on Thursday and Saturday evenings, November 15th, and 17th, at 8:00 p.m.

Originally scheduled for Friday and Saturday, the change of performance dates was necessitated because of Brevard's participation in the AAA football play-off in Asheville on November 16th.

An announcement of great importance concerning a future

"Our longtime wish to have access to our own stage facilities and a permanent place in which to rehearse and store props and stage flats is now in the process of becoming a reality", the BLT president continued.

In conjunction with Ladies' night entertainment the Kiwanis club plans to attend the Thursday night performance of "Charley's Aunt".

Completing Installation

Now Printing Transylvania Times On Goss Comet Press

After weeks of planning and preparation, The Transylvania Times is this week printed on its new press, which is a Goss Comet press.

Al Tabor, of the Goss company, Chicago, Illinois, has been here for the past week completing the installation of this modern press, which is similar to the ones used by the daily newspapers of the country.

Prior to a breakdown some five weeks ago, The Times was printed on a "flatbed" press at a slow rate of speed.

The Goss Comet Press prints eight pages at one time, twice the number of a "flatbed", at a rate of more than 3,000 per hour.

Since this is the first issue of The Times on the Goss, there are a few flaws that will be corrected in subsequent issues. Precision adjustments will take a little time.

With the new press, The Times will be able to better serve this growing community, Editor John Anderson declares.

Look for pictures of the new press in operation in next week's issue.

Land Sales In County At All-Time High

Land sales in Transylvania county reached an all-time high of \$704,330.00 during the month of October, Owen Lee, register of deeds, reports today.

The complete list of real estate transactions for the past month are carried on the front page of the second section in this week's Times.

The Weather

Brevard received just over five and a quarter inches of precipitation in the form of rainfall during the month of October, with one and six-tenths inches falling on the second of the month.

High reading for the month was an 87 recorded on the 8th, and the low as a chilling 15 on the 27th.
