## Thanksgiving Will Be Quietly Observed In Town And County

### Christmas Clubs Paying Out Over \$40,000

Santa Claus will arrive early for many Brevard and Transylvania county citizens, thanks to the Christmas clubs at First Union National Bank and Brevard Federal Savings and Loan association.

Approximately \$40,000 is going in the mails to members of the two clubs at the two banks. The bank executives said the extra money saved during the past 50 weeks proved beneficial to a larger number of participants each year.

"The more than \$40,000 going into our trade channels in the community will definitely be felt in all lines of business," they declared.

"This much money is bound to be a stimulant for business in general, and the dollars will likely change hands many times during the coming weeks."

### Forgive Us, Lord, For Shallow Thankfulness

By W. W. REID  
(North Carolina Christian Advocate)

Forgive us, Lord for shallow thankfulness,  
For dull content with warmth and sheltered care,  
For songs of praise for food and harvest press,  
Yet of thy richer gifts all unaware:  
Teach us to thank thee, Lord, for love and grace,  
For life, and vision, and a purpose clear;  
For Christ, thy Son; and for each human face  
That shows thy message ever new and near.

Forgive us, Lord, for selfish thanks and praise,  
For word that speaks at variance with deed;  
For give our thanks for walking pleasant ways  
Unmindful of a broken brother's need:  
Teach us, O Lord, true thankfulness divine  
That gives as Christ gave, never counting cost,  
That knows no barrier of "mine" and "thine,"  
Assured that only what's withheld is lost.

Forgive us, Lord for feast that knows not fast,  
For joy in things the while we starve the soul,  
For wars and walls that hide thy mercies vast  
And mar our vision of the Kingdom goal:  
Open our eyes to glimpse thy Love's intent,  
Our minds and hearts so plumb its depth and height;  
May thankfulness be days in service spent,  
Reflection of Christ's Life, and Love, and Light.

The association sponsors, among a variety of projects, a two-week school at State College each February, attended by about 150 young farm leaders from across the State. Over 1,100 scholarships to the school have been awarded since its in-

ception by bankers, all expenses being paid by their hometown banks.
