Brevard's ZIP Code Is 28712

"Our five-digit ZIP Code is 28712," Brevard's postmaster, C. Y. Patton, announces.

"If everyone in Brevard will use this ZIP Code on all their correspondence it will greatly speed mail deliveries and reduce the chance of mis-sent mail," Postmaster Patton said.

ZIP Code, the Post Office Department's revolutionary new system of improved mail dispatch and delivery, goes into effect nationally on July 1st.

He stressed the importance of all citizens of Brevard learning this city's ZIP Code and using it in their return address on all correspondence. In answering mail, he said, ZIP Codes taken from return addresses on incoming mail should be used.

"The ZIP Code is literally the last word in mail addressing," the postmaster said. "It should follow the city and state in addresses."

Enjoyed Parkway Trip

Congressman Taylor Says Weekend Tour Beneficial

Congressman Roy A. Taylor reported earlier this week from Washington that he was quite pleased with the weekend visit of the members of the House Committee on Interior and Insular Affairs.

"I thought it was a very successful trip, and we especially enjoyed the trip on the Blue Ridge Parkway," Rep. Taylor continued.

He had invited fellow members to inspect the Parkway and other recreational facilities in Western North Carolina.

The weekend opened with a banquet last Friday night at the Battery Park hotel in Asheville. Representing Brevard at the function was Mr. and Mrs. Wayne Bradburn and Mr. and Mrs. John I. Anderson.

On Saturday, a large local delegation met the visiting group of congressmen at the Pink Beds, and officials of the Brevard Chamber of Commerce served them refreshments.

Making the trip with Rep. Taylor were Rep. Wayne Aspinall, of Colo., chairman of the committee; Rep. Hjalmar C. Mygaard

of North Dakota; Rep. Ralph J. Rivers of Alaska; Rep. John Kyl of Iowa; Rep. Robert B. Duncan of Oregon; Rep. Homer Abele of Ohio; and Rep. John Marsh, Jr., of Virginia.

The extension, proposed by Rep. Taylor several months ago, would cost about \$50 million, and would extend the scenic motor road to the Atlanta area.

The WNC congressman obtained a \$25,000 appropriation for a study of the proposed extension. —Turn to Page Five
