

# MAKE SURE YOUR STAIRWAYS ARE SAFE!

**AVOID INJURIES—KEEP STAIRS CLEAR, WELL-LIGHTED AND IN GOOD REPAIR—ALWAYS!**

## Avoid Injury, Keep Stairways Lighted

Nearly 30 per cent of all accidental deaths in this country occur in the home, the Association of Casualty and Surety Companies reports. And almost half of these home deaths are caused by falls.

Many of these tragedies can be prevented if stairways are kept clear, properly lighted and in good repair.

Pay particular attention to keeping cellar or basement stairs safe, the Association advises. Don't let them become a catch-all for cleaning materials and equipment, or other household paraphernalia.

pepper. Pack the stuffing on top of the chops; cover and bake in a 350 degree oven for 1/2 hour. Uncover, and bake 1/2 hour longer, until stuffing is brown and crusty.

### Flank Steak Roll

- 1 flank steak
- 1 large tart apple
- 1 cup day-old bread crumbs
- 1/2 cup chopped onion
- 2 tbs. minced celery
- 1 tsp. salt
- 2 tsp. sage
- Drippings
- 1 cup hot water
- 1 tbs. vinegar
- 1 cup unpeeled prunes
- 2 tbs. flour

Chop apple and mix with bread crumbs, onion, and celery. Sprinkle both sides of flank steak with salt and sage. Spread apple mixture over one side of steak and roll up, tying with string or fastening with skewers. Brown meat in a small amount of drippings. Add hot water and vinegar, cover, and cook very slowly for about 1 1/2 hours. After 45 minutes, turn meat roll over, add rinsed prunes and finish cooking. Then remove meat and prunes to a hot serving platter. Mix flour to a thin paste with a little cold water and blend with liquid in the pan. Cook and stir until smooth and thickened. Pour over flank steak roll and serve at once, cutting meat into slices. This makes about 4 servings.

### Ham Supreme

- 1/2 cup butter
- 1/2 cup enriched flour
- 1/2 tsp. salt
- Dash of cayenne pepper
- 1 cup milk
- 1/2 cup light cream
- 1/4 cup grated parmesan cheese
- 3/4 cup grated sharp cheese
- Butter
- 8 slices enriched sandwich bread, toasted
- 4 slices baked ham
- 2 pkgs. frozen broccoli spears

Melt butter in top of double boiler. Blend in flour, salt and cayenne pepper. Combine milk and cream and add gradually to the flour mixture. Cook over di-

rect heat, stirring constantly until sauce is thickened. Remove sauce from heat and blend in grated cheeses. Keep sauce hot over simmering water. Meanwhile, cook broccoli spears according to package directions. Spread toast with butter. Cut 4 toast slices in half diagonally. For each sandwich arrange whole slice of toast in center of serving plate with 2 halves on opposite sides. Place slice of ham over the toast and arrange broiled spears on top of the ham. Spoon hot cheese sauce over the entire sandwich. Serve immediately. This makes 4 sandwiches.

## Morris Receives Certificate For Hurricane Flying

Leland Morris, aerographer's mate second class, USN, son of Mrs. Otha W. Morris of Brevard, was recently presented with a certificate of membership into Airborne Early Warning Squadron Four's "Not So Ancient Order of the Hurricanefliers."

He is a crew member of one of the squadron's "Hurricane Hunters", WC-121N Super Constellations, based at Roosevelt Roads, Puerto Rico.

He received his initiation flying into Hurricane "Flora" which

was one of the most devastating storms to hit the Caribbean area in over 60 years. Despite the fact that the Hurricane Hunters provided the widest weather coverage given to any storm in history, over 4,000 persons were killed on the island of Haiti alone.
