

Rosman Tigers Winners In Tournament

The Rosman and Mars Hill boys Monday night notched victories in the opening round of the District 8 Class A Eastern Division high school basketball playoffs in the Erwin gym before an estimated turnout of 450 fans.

Rosman eliminated East Yancey, 50-45, in a loosely-played contest, and Mars Hill, in control of both backboards, belted Polk Central, 64-41.

The victories moved Rosman and Mars Hill into semi-final games scheduled Thursday in the Erwin gym. Rosman faces Pleasant Gardens, McDowell County champion, in the 7 p. m. opener, and Bowman High of Bakersville takes on Mars Hill in the nightcap.

The championship game is set March 10th. Eastern and Western champions will meet in the district finals March 13th in the Erwin gym.

Rosman, who's victory was No. 15 of the season as against 4 losses, couldn't find the range in the initial period, missing on innumerable scoring opportunities, and East Yancey jumped to a 12-9 lead.

With Rondal Chapman, Charles Chapman and Herbert Powell hitting the second period was a different story for Rosman. The Tigers tied it at 14-14 with six minutes left in the half, and then went ahead for the first time, 16-14, a moment later.

Rosman, which turned in a 16 point effort, led at intermission.

Mrs. C. W. DeMuth is chairman of the sale.

staff possible.

This year's profits are designated for projects such as:

Covered wagon unit to accommodate 32 more girls at the Girl Scout camp;

Further completion of day camps in 6 locations and troop camping sites and equipment;

Building the new Servicecenter on King street, serving all 16 counties, in order to extend the opportunities for all girls.

According to R. M. "Bob" Boyd, chairman of the Transylvania County Board of Commissioners, approximately 20 per cent of the families in Transylvania will be eligible to receive surplus food.

Certification is made for all public assistance recipients who apply for the food.

For non-public assistance or needy families who make application, certification is made by an income scale approved by the Department of Agriculture and the State Board of Public Welfare and is used statewide.

The surplus food program is being pushed in North Carolina by Governor Terry Sanford, and some 51 counties are eligible to participate in it.

Distribution of food will be made from the warehouse of the old Pisgah Mill on Whitmire street and will begin March 17th from 9:00 to 3:00 o'clock.
