STAIRWAY TO SUCCESS

BREVARD STUDENTS in the Commercial department here at the senior high school are being taught to operate many office machines and business practices. One phase is pictured above, and it concerns operation of a telephone switchboard and telephone etiquette. Charles W. Pickelsimer, gen-

eral manager of the local Citizens Telephone company who donated the equipment to the school, is shown at the right listening to Miss Eva Hardy, teacher, describe the various courses that are offered. The students in the photograph are Linda Waldrop, left, and Ann Brown at the switchboard.

Commercial Department At Senior High School "Modern, Diversified"

By Staff Writer

Brevard senior high school now has a most diversified and modern commercial department, Principal N. A. Miller told *The Times* this week.

The department is taught by Miss Eva Hardy, who came to the senior high school this past January, succeeding Mrs. Faye Thompson.

Miss Hardy is from Sumner, Mississippi, and was recently graduated from Delta State College, Cleveland, Mississippi.

To give the Office Practice classes at Brevard senior high school a gist of how a business office is actually carried on, Miss Hardy devised a plan in which each of the students completes a designated skill in two classroom periods and then rotates to another job or skill, until each student has completed 27 jobs. It is the responsibility of each student to see that his job is completed within the allotted time. If a student is absent from class for any reason, this hour must be made up outside class.

This plan is so organized that each student knows what his duties are from now until May 22nd. When a rotation of jobs is made, the person who has just completed a particular skill explains to the person about to encounter the job what is to be done, etc.

Transylvania Girl Scouts Join National Observance

Nearly 400 Girl Scouts of Transylvania county attended St. Philip's Episcopal, Sacred Heart Catholic, and Bethel A Baptist churches, in uniform Sunday, March 8th, to begin the celebration of the 52nd birthday of Girl Scouting by demonstrating their duty to God, the first part of the Girl Scout promise.

Farm Hiring Day Set For Next Tuesday

A farm employment day will be held at the Court House Tuesday, March 17th, from 10:00 a.m. to 11:00 a.m.

A farm placement representative from the Employment Security Office will conduct the meeting, which will be open to any person who uses farm labor or any farm worker who wishes to secure farm employment.

Part of the program concerning farm labor allows for importation of farm workers from other states and areas, or for sending local workers to other areas, depending on the need.

The theme for Girl Scout Week this year is "Girl Scouting—A Promise In Action" and special features of the celebration this week will be services to troop sponsors and to the community.

The big community service project of the Pisgah Girl Scout Council, comprising 16 Western North Carolina councils, is the Drop Out Puppet Shows to be given during March and April by troops in their own —Turn to Page Three

Planning Board Will Discuss Zone, Controls At Meeting

The Brevard Planning Board will meet on Tuesday, March 17th, at 7:30 p. m., to consider a full agenda of planning and zoning matters, according to an announcement made by Charles F. Himes, chairman of the board.

Other items of business will include further consideration of the possibilities of extra-territorial zoning which would impose controls on the use of land outside the city —Turn to Page Eight

Chamber Of Commerce Adopts Record Budget Of \$8,000.00

Many Matters Acted Upon At Tuesday Meet

The directors of the Brevard Chamber of Commerce adopted a budget of \$8,000 at their regular monthly meeting in the library Tuesday night.

The budget is the largest ever adopted by the local chamber. It represents an increase of \$500 over last year's budget.

The directors also accepted three proposals by the finance committee that will be added to the by-laws of the organization. These proposals are:

(1) To prororate the annual dues of new members who have moved into the county during the year and who will not receive a full year's benefits from the chamber

(2) To move the cut off date for the payment of dues and the listing on the ballot back to October 31, 1964.

(3) Keep moving this cut off date back one month each year until the date has reached August 31.

President Bill Keith, who presided, reported that he had attended a joint meeting of the Brevard Recreation commission and the Recreation committee of the Chamber of Commerce on the previous night at the Brevard Country club.

At that meeting, John Anderson, chairman of the commission, commended E. E. Fraser, manager of the club, on the progress that is being made on the golf course.

He described it as being in the best condition that he had ever seen it in during winter months. With spring weather, it should continue to improve.

Local golfers were encouraged to join the club so the work could be continued.

The Ecusta Paper Operations of Olin Mathieson Chemical corporation, Pisgah Forest, has won the American Paper and Pulp association's Central regional safety award.

It is presented to the company achieving the lowest five-year cumulative injury frequency rate in the industry.

A. J. Loeb, division vice president, accepted the plaque from Maxwell D. Bardeen, president of the APPA, at a ceremony during the recent Paper week in The Waldorf-Astoria, New York.

The division's record was in the achievement of 15,694,554 man-hours worked with only 31 lost time disabling injuries, providing a five-year cumulative injury frequency rate of 1.98.

APPA is a federated association made up of 12 divisions which serve the needs of the manufacturers of the particular grades. Its headquarters are in New York.
