## Democratic Run-Off Election Is Slated Saturday In Three Races

**Polls Will Be Open From 6:30 To 6:30**

Transylvania Democrats will join with other voters across the state in a run-off primary this coming Saturday.

The only local race is for the House of Representatives, and the two statewide races are for Governor and Lieutenant Governor.

In the House race, Jess A. Galloway is being opposed by Rev. B. W. Thomason.

In the first primary on May 30th, Mr. Galloway was high man with 1,654 votes, while Mr. Thomason had 1,560.

A third candidate, Ligon Ard, polled 1,007 votes.

In the Governor's race on Saturday, Judge Richardson Preyer, the high man in the May 30th primary, is being opposed by Judge Dan K. Moore.

The third high man in the race, Dr. J. Beverly Lake, has thrown his support to Judge Moore, and a close contest on Saturday is expected.

On May 30th, Transylvania voters gave Judge Moore an almost three-to-one majority.

Local Democrats also favored Clifton Blue for Lieutenant Governor on May 30th; however his opposition, Robert W. "Bob" Scott, was high man across the state.

Another close race is predicted.

J. O. Wells, chairman of the Board of Elections in Transylvania, says that the polls will be open from 6:30 a. m., until 6:30 p. m., and he is now distributing supplies and ballots to the various precincts.

## Rescue Squad Plans Auction

The Brevard Rescue squad is planning another big auction sale to raise funds to purchase needy equipment.

Members of the squad are now busy collecting items to be sold at the auction sale on July 25th.

Captain Jimmie Rowe says that all donations will be greatly appreciated, and they will be picked up by squad members.

The telephone numbers to call are: 883-3580 and 883-4469.

Previous sales have been highly successful, Mr. Rowe says, and he hopes the squad will receive the fine cooperation of the public that it has in the past.

## Merchants Plan "Sidewalk" Sale

Brevard merchants will conduct a huge "Sidewalk Sale" next Wednesday, Thursday and Friday, July 1st, 2nd and 3rd.

Extensive plans have been made by the merchants to offer many wonderful bargains during the sale, which promises to be the biggest and best ever promoted in Brevard.

In announcing plans for the sale, the chairman of the merchants division of the Chamber of Commerce, stated that the local merchants were going "all out" to offer Transylvania county shoppers many real bargains during the three-day event.

Full details of the sale will be carried in next week's Times, which will be published Tuesday afternoon.

## Music Camp Opens

The 28th season of the Brevard Music Center begins this Sunday, June 28th, with a concert by the BMC faculty orchestra at 3:30 p.m. Featured soloist is 14-year-old Billy DeVan, of Atlanta, Ga.

Young DeVan, an eight-grade, straight "A" student whose favorite subject is science, will play Mendelssohn's Piano Concerto No. 2 in G Minor, Opus 25. Other works scheduled for the opening concert at Transylvania Music camp are Weber's Overture to Oberon, Schubert's Symphony No. 5 in B Flat Major, and Capriccio Espagnole by Rimsky-Korsakov. James Christian Pfohl, the center's founder-director, will conduct.

DeVan, who began serious study of piano just three years ago, won national prominence with his selection from among dozens of young musicians seeking a solo opportunity with the Chicago Symphony at the 1963 national 4-H Congress in Chicago. His success led to an appearance last March 17, with Arthur Fiedler and the Atlanta Symphony Orchestra.

In addition to the Sunday afternoon concert, special events scheduled for the center's first week are a lecture by Juilliard professor of composition, Vittorio Giannini, Tuesday evening, June 30th, and a recital of Debussy's 24 Preludes by Daniel Ericourt, Wednesday, July 1st.

Mr. Ericourt received his musical training at the Paris Conservatory, receiving the coveted Diemer Prize for his excellence. He knew Debussy personally as a youngster, and is considered the outstanding

## Wage Earners Better Off In County

The average Transylvania county worker has been netting his economic position in recent years.

Even though his cost of living has been going up, his income has been moving upward at a faster rate.

Without putting in any more effort than he did 10 years ago, in terms of hours or labor, he finds he can live more luxuriously than he did then.

The increase in his income has more than made up for the increase in his living costs.

The average working man in Transylvania county now earns enough in only 24 minutes on the job, for example, to buy a pound of coffee or a pound of bacon. Ten years ago they would have involved considerably more working time.

By putting in 37 minutes of labor he is able to buy a pound of round steak. He can get an automobile tire (6.70 x 15) with the proceeds of some 13 hours of work.

The changes that have taken place throughout the United States and the comparison of present - day worktimes with those of 1953 are reported by the National Industrial Conference Board and by the Bureau of Labor Statistics.

With all the 18 organized summer camps in the area reporting capacity enrollment, officials of the town and county and heads of civic organizations are busy in issuing a most cordial welcome to the campers, summer visitors and others here for a vacation this season.

It is with a glad hand of friendship that they roll out the welcoming mat to this beautiful land of lakes and waterfalls, which is also recognized as a "mecca for summer camps."

Through the columns of The Transylvania Times this week many merchants and others are welcoming the campers and other visitors to town. Editor John Anderson urges all readers to especially note the write-ups on most of the camps.

During the next few weeks, The Times will carry stories on all of the camps. Also, in this issue a series of camp pictures was started, and it will be continued throughout the summer.

Best Year  
From all indications, this summer will be a peak year in tourist business, and already thousands of cars are seen in the great Pisgah National Forest, as people from the lowlands come up to the mountains in an effort to escape the heat and to see the famed wonderland of nature.
