### Banquet Rescheduled Chamber Of Commerce Adopts \$7,780 Budget

A budget of \$7,780 was adopted by the newly elected directors of the Brevard Chamber of Commerce at their regular monthly meeting Tuesday night in the library.

The budget is slightly less than last year's, which called for \$7,852.

The directors also voted to reschedule, rather than cancel, the annual Chamber banquet for this

year. The banquet was originally slated to be held last Friday, February 4th, but poor road and weather conditions forced a postponement.

Banquet officials, after conferring with the banquet speaker, W. Stanley Finch, of Greenville, S. C., suggested several alternate dates that might be acceptable for Mr. Finch.

After discussing all possibilities, the directors decided Tuesday night to hold the banquet, with Mr. Finch as speaker, on Friday night, April 15th.

Mr. Finch, said to be one of the top 25 after dinner speakers in the country today, is director of public relations and sales training for Texize Chemicals, Inc. of Greenville, S. C.

Stan Meares, newly elected president of the Chamber of Commerce, presided at his first meeting Tuesday night.

He called on the directors to help lead the chamber to its greatest year during 1966.

He also stated that most all committee appointments had been made, but that there were several chairmen and committee members yet to be named.

The budget was presented by Jerry Jerome, chairman of the finance committee. It was adopted after a very brief discussion.

A large number of directors was on hand for this, the first official meeting since their election.
