## Light Vote Cast In Primaries, Possible Run-Off Predicted In The Sheriff's Race

### Teacher List Is Announced, Number Is Up

The Transylvania school system has been allocated 10 additional teachers for the next school year, Supt. Wayne Bradburn announces.

He also releases the list of teachers for the various schools and says that the 1966-67 term could be one of the most important in the history of Transylvania.

Six of the new teachers will be assigned to the elementary schools, one to the high schools and three to various vocational departments.

The advancements that have been made in curriculum will be continued, and there will be a full time teacher in the field of art.

The music departments, both instrumental and vocal, will be upgraded, and other programs of study will be expanded.

The list of teachers, by schools, follows:

### Glen Cannon Opening Now Set Saturday

Weather permitting, the beautiful new 18 hole golf course at Glenn Cannon country club will officially open this Saturday.

The sprawling 6,248 yard layout was originally scheduled to open last Saturday, but persistent rains postponed the long awaited start until this Saturday.

The same "shotgun" start method that was scheduled last Saturday will get things underway. Glen Cannon president Jack Madden will signify the official start by firing a shotgun promptly at 9:00 a.m., and foursomes stationed at all eighteen holes will tee off simultaneously.

The opening day committee has selected W. H. "Bill" Keith for the honor of teeing off on No. 1 tee, along with golf course.

### Many Signing Road Petitions

Over 300 residents in Cedar Mountain and Dunn's Rock communities have signed petitions to be presented to the North Carolina Highway Commission and Governor Dan K. Moore asking for extensive repairs and relocation of US Highway 276 from Brevard to the South Carolina line.

Arthur M. Dehon is the chairman of the Property Owners committee, which is conducting the campaign.

Mr. Dehon points out that residents in the two communities voted 11 to one in favor of the Road Bond program last fall, and he says that the \$200,000 (the announced amount allocated for the work) is not enough to half way do the job.

Mr. Dehon is asking the wholehearted endorsement of citizens in the county in the drive to improve US Highway 276.

The resolution is as follows:

WHEREAS, U. S. Highway No. 276 is the main north and south highway traversing Transylvania County, and carries a heavy volume of all-year traffic, being the main thoroughfare for travel to the plant of E. I. du Pont de Nemours at Cedar Mountain, and in addition is the principal access road to Pisgah National Forest, the Blue

The invocation will be given by John Hoxit and the benediction will be given by Carl Chapman.
