

Bond Issue Is Endorsed By The Firemen

Members of the Brevard Volunteer Fire department voted unanimously at their meeting Monday night to endorse the proposed bond issue for the construction of a new fire station in Brevard and other quarters for the various departments.

A spokesman for the department said that present facilities of the fire station are not adequate to house the needs of the growing community.

The firemen urge all citizens of the community to support this issue, inasmuch as the safety and protection of everyone is concerned.

Draft Board Is Seeking New Clerk

Applicants for the position of Clerk in the local Draft Board office took the Civil Service examination on Monday, October 9th.

Officials are not certain how much time will be needed to choose from the applicants after the exams are in, but express their hope that the local office will be back to normal in the very near future.

In the meantime, Mrs. Brona Roy has been authorized to register any college students and anyone else in the county will be able to register at Schenck Job Corps.

Expert In Field Of Oceanography Is Speaker Here

Dr. Henry Kritzer, an expert in the field of oceanography, will speak on the subject of plant and animal life in the ocean at a special lecture Monday evening, October 16th at 7:00 p.m. in the auditorium of the Dunham Fine Arts Center.

A professor at Florida State University, Dr. Kritzer will show slides of a recent trip made to the Bahamas in preparation for a course in marine geology to be offered by Brevard College to its students during the Christmas holidays.

Mrs. Jack Potts, of the college's biology department, will conduct the course which will allow 10 students to spend three weeks in the Bahamas studying the plant and animal life of the region in their native habitat.

If this pilot program is successful, the college plans to offer the course for two three-week periods in the summer of 1968. Each student will receive three semester hours of credit for his work.

Mrs. Potts has worked closely with Dr. Kritzer in the past. The course in marine ecology to be offered by the college has been planned with Kritzer's counsel.

Dr. Kritzer's lecture is open to the public.

Alumni From 7 States To Attend Homecoming At Brevard College

HENRY CHENEY, left, supervisor, Public Relations services, Duke Power company, reported on the progress being made on the gigantic Keowee-Toxaway project at the meeting of the Brevard Rotary club on Monday. At the right is John D.

Clark, manager of the Brevard branch of Duke, and the two men are noting the size of Lake Toxaway, at the top, as compared with the two proposed lakes of the Keowee-Toxaway project. (Times Staff Photo)

Rotarians Told

Vast Progress Being Made Of Keowee-Toxaway Project

Excellent progress is being made on the mammoth Keowee-Toxaway project by Duke Power company, Henry Cheney, supervisor of Public Relations services told Brevard Rotarians at their regular meeting this week in Gaither's Rhododendron room.

He also quickly emphasized that the project would be of great value and benefit to Transylvania county.

The speaker was introduced by John D. Clark, manager of the Brevard branch of Duke, and Dr. Wilburn Davis, president of the club, presided over the meeting.

Mr. Cheney pointed out that Duke Power company has been busy for several months in land clearing and lumbering operations in the area to be occupied by Lake Jocassee and Lake Keowee and the nuclear site.

Work is also progressing on the dam sites.

The cost of the project is estimated at over \$700,000 million, and plans call for the Oconee nuclear station to begin operation in 1971.

Also included in the project are two hydroelectric stations.

The lower lake, Lake Keowee, will have 18,400 surface acres of water, while the upper lake, Lake Jocassee, will cover 7,565 surface acres. Lake Keowee will have 300 miles of shoreline, while the much deeper Lake Jocassee will have 75 miles of shoreline.

The Jocassee Dam, which will be South Carolina's highest at 385 feet, and its powerhouse are expected to be completed and in service in 1974.

The Keowee Dam and power facilities are expected to cost \$30.5 million, and expected cost of the Jocassee Dam and its generating facilities is \$55.8 million.

Vocational Agricultural Courses Will Again Be Offered At BHS

The Department of Vocational Agriculture at Brevard senior high school will conduct courses again this year for adults if a minimum of 10 students enroll for each class.

The proposed schedule, which can be altered, if circumstances demand, is as follows:

Basic arc welding, Mondays 7:00 to 10:00 p.m., October 23rd to January 15th.

Small gasoline engines, Mondays, 7:00 to 10:00 p.m., March 4th to May 6th.

Cabinet making, Thursdays 7:00 to 10:00 p.m., March 7th to May 9th.

Drafting and blueprint reading, Mondays and Thursdays, 7:00 to 9:00 p.m., March 4th to April 25th.

Ornamental horticulture, Mondays 7:00 to 9:00 p.m., March 4th to May 20th.

Advanced arc welding, Mondays 7:00 to 10:00 p.m., March 4th to May 20th.

"If you are interested in any of these courses contact Randal J. Lyday, Vocational Agriculture teacher, telephone 883-5552," school officials state.

At The College

Address By Young Highlights United Nations Observance

United Nations Day will be observed on October 18th in the Brevard College Gymnasium.

Featured speaker for the occasion will be the Reverend H. Claude Young, Jr., of Winston Salem.

Mr. Young is Chairman of the Division on Peace and World Order of the Board of Christian Social Concerns of the Western North Carolina Conference of the Methodist Church.

Others participating in the service will be Mayor Raymond F. Bennett, who will issue the proclamation; John I. Anderson, editor of The Transylvania Times. —Turn to Page Five

Many Events On Program Here This Weekend

Alumni from seven states are expected to attend Homecoming festivities on the Brevard College campus Saturday, October 14th, according to Joseph C. Bowles, director of Public Relations at the college.

Mr. Bowles stated that activities on Saturday would begin with registration of all returning alumni at 10:00 in the Faculty Lounge of the Beam Administration Building.

The former students are then invited to tour the campus to see the varied Homecoming displays built by the several participating dormitory and special interest groups on campus. A top award of \$50 will go to the winning display.

Afternoon activities center around sporting events.

Brevard's Soccer squad will tangle with Tusculum College at 2:00 p.m. on the Flake Sherrill Athletic Field.

At 2:30, the undefeated and nationally-ranked Tornado cross country team is host to Wingate College, LeesMcRae College, Asheville-Biltmore College and Western Piedmont Community College in an important test prior to the national meet next month.

Open house will be observed in the faculty apartments and all dormitories after the athletic events. Final activity of the evening will be a Homecoming Dance at 8:00 p.m. in the auditorium of the Dunham Fine Arts Center.

Woodmen Will Present Flag To Hospital

Balsam Camp 116, Woodmen of the World, will present an American flag and a 48-foot flag pole to the Transylvania Community hospital this Saturday.

Presentation ceremonies will take place at the hospital at 1:00 p.m. Saturday, October 14th, with several state and local W.O.W. dignitaries in attendance.

The actual presentation of the flag and flag pole will be made by W.O.W. National Director J. E. Williams of Raeford.

The W.O.W. State Manager, Sovereign R. C. Payne of Greensboro, will also be in Brevard for the occasion.

All local Woodmen are encouraged to be in attendance for the ceremonies at this special occasion.

NATURE IN ALL ITS GLORY will be an appropriate description of the Pisgah National Forest and Blue Ridge parkway this weekend and next. It will be the height of

the color season, with beautiful autumn weather predicted. Ranger Jim Wells invites Transylvanians to visit in this beautiful "wonderland of nature."

Rocket To Rise

Early Response In Campaign Of United Fund Is Said Good

Campaign workers in the 1968 Transylvania County United Fund Drive reported over \$7200 pledged in their first report meeting held Friday.

Campaign chairman, Dr. Milton Massey, asserted that the report was an excellent beginning, but urged all workers to have as much of their solicitation done as possible by the next report period on October 13th.

Workers reported that most of the campaign materials had been distributed to individuals, businesses and organizations throughout the county and that most initial contacts in behalf of the campaign had been made.

Four concerns were recognized for having achieved 100% giving of all employees. They were First Citizens National Bank, First Union National Bank, Duke Power Company and Citizens Telephone Co.

Dr. Massey announced that beginning on Friday of this week the campaign rocket, located on the court house lawn, will be marked each Friday with the amount of money pledged, giving all residents of the county an idea of the progress of this year's drive.

Program Highlights

Interviews With Local GI's Are Heard Over Station WPNF

From time to time, radio stations such as WPNF, and others across the country, receive publicity material from the Armed forces.

Recently the local station received a taped interview with a local serviceman serving with the Army in Vietnam.

Station officials were happy to cooperate with the Army in airing the interview with PFC Kenneth L. Cassell, whose parents are Mr. and Mrs. John C. Cassell, of Rt. 2, Brevard.

PFC Cassell is presently serving as a machine gunner with the Army's 25th Infantry in Vietnam.

Cassell's parents were alerted when the station was to play his tape, and relatives and friends were happy to hear his voice. It is hoped other local servicemen will be heard on similar station features in the future.

Other Programs

Weekend football games on WPNF include: Brevard Blue Devils vs. Pisgah, Friday night at 7:15 p. m. Saturday, 3:15 p. m. UNC vs. Air Forces, from Colorado.

Farm and Home hour schedule is as follows: Thursday, U. S. Forest Service; Friday, station programs; Monday, Country Agricultural Extension Agent Jim Davis; Tuesday, station program; Wednesday, Home Economics Extension Agent

Miss Jean Childers.

Speaking this week on Morning Devotions is Rev. Joseph Reeves of St. Timothy's Methodist church.

Sunday morning church services are being presented on WPNF from the Brevard-Davidson River Presbyterian church. Rev. G. Daniel McCall is pastor.

Beautiful weather for the most part has been the story of Brevard's weather during the past week. Except for a dreary weekend, residents and visitors have enjoyed some beautiful days, and mild nights.

Last Wednesday was the high mark as far as temperature is concerned, when an 82 degree reading was registered. The week's low point was Thursday morning, with a 42 registered.

Average temperatures for the week were 74 and 51, which is very near normal for the season in this area.

A total rainfall of 1.91 inches was recorded.

The week's temperatures and precipitation follows:

| | High | Low | Prec. |
|-----------|------|-----|-------|
| Wednesday | 82 | 48 | 0.00 |
| Thursday | 81 | 42 | 0.00 |
| Friday | 81 | 46 | 0.00 |
| Saturday | 71 | 59 | 0.00 |
| Sunday | 84 | 52 | 0.08 |
| Monday | 86 | 55 | 0.85 |
| Tuesday | 71 | 53 | 0.98 |

At Brevard High

1,000 Delegates Expected At FHA Rally

The annual District Eight Future Homemakers of America Rally will be held at Brevard senior high school on Saturday, October 14th, from 10:00 a. m. to 3:00 p. m.

Mr. Robert Melvin, chairman for Mars Hill College, will give the keynote address on the theme of the rally: "Confidentially It's Up To You."

Approximate 1,000 delegates are expected to attend the rally here.

The morning session will feature a guest speaker and the listening panel on the subject of "Individuality Counts"; a

skit, "Community Beauty is Our Duty", and in the afternoon variety entertainment. Highlight of the afternoon session will be a special presentation by the Brevard Chapter on "Our Neighbors Near and Far."

The 17 FHA chapters in the Western District are participating in this rally under the direction of Mrs. Ruth Jobe, District Eight FHA Advisor, and Miss Louise Swann, Associate Supervisor of Home Economics Education.

Judy McLane of the West Henderson chapter, who is the District officer, will preside over this meeting.

Brevard Future Home makers of America will be hostesses for the rally. Advisers for the Brevard chapter are Mrs. Rose Burrell and Mrs. Sarah McGinnis. Miss Pat Kennington, President of the Brevard Chapter will give the morning invocation. Mr. Harry Corbin, Principal and Dr. R. E. Robinson, Superintendent of Transylvania County schools will welcome and greet the group.

FHA is an organization which is sponsored by the Home Economics department in the school. The overall goal of the organization is to help individuals improve personal, family, and community living.
