Death Of Mrs. Mize Reported

Mrs. Donia Chambers Mize, age 84, died in a Henderson county rest home early Thursday morning after a long illness.

She was a native of Banks county, Georgia and had made her home in Brevard for four years, where she resided with her daughter, Mrs. Evan M. Bacon of Highland road.

Surviving in addition to Mrs. Bacon are another daughter, Mrs. Jim Wilson of Commerce, Georgia; three sons, Arthur of Belmont, Massachusetts, Frank of Hialeah, Florida and William Paul Mize of Del Ray Beach, Florida; one sister, Mrs. L. N. Boone of Maysville, Georgia; one brother, George Chambers of Lula, Georgia; 12 grandchildren and 18 great-grandchildren.

Funeral services were held in West Palm Beach Florida. Moore Funeral Home was in charge of arrangements.

A 104-foot-high steel wire "fence" encloses three sides of a radar installation at White Sands, N. M. to shield the radar from unwanted images echoed from mountains 50 to 100 miles away.

Suttles Awarded Commendation Medal At AFB

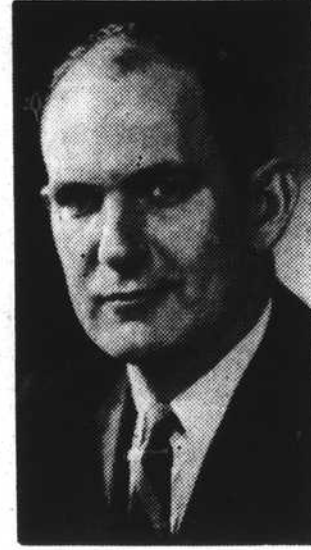

Staff Sergeant Charles H. Suttles, son of Mr. and Mrs. W. M. Suttles, of route 1, Brevard, has received the U. S. Air Force Commendation Medal at McConnell AFB, Kan.

Sergeant Suttles, a refrigeration specialist, was decorated for meritorious service in Vietnam. He is now at McConnell as a member of the Strategic Air Command.

The sergeant is a graduate of Brevard high school.

His wife is the daughter of Mrs. Arlene Roller, of Pisgah Forest.

American Thread Company Promotes Love And Burton

J. B. LOVE

The American Thread company has promoted J. B. Love to the post of Executive Vice President, effective January 1, 1968, it is announced by E. B. Shaw, President of the firm.

Mr. Love, former manufacturing vice president, now assumes over - all direction of the day-to-day operations of the company.

Also promoted is W. H. Burton, Jr., to Director of Operations with responsibility for the firm's manufacturing operations and operations department as well as its production planning and general engineering functions.

These were the key appointments in a major re-alignment of responsibilities and reporting relationships within the Company's top management group.

Announcement of Mr. Love's promotion comes as he completes his 20th year of service with the company that he joined in 1947 following graduation from Harvard Business School.

Beginning as a management trainee at the Willimantic, Connecticut Plant, Mr. Love's steady advancement within the Willimantic manufacturing organization culminated in 1961 when he was named General Manager of the Willimantic Plant. Two years later he was transferred to the firm's New York office as director of general executive services. His promotion to manufacturing vice president and his election to the Board of Directors followed in 1966.

Mr. Burton has been serving as assistant to the manufacturing vice president for the past year. He is a textile graduate

W. H. BURTON, JR.

from the N. C. State University and he holds a law degree from the University of North Carolina.

Mr. Burton began his textile career in 1948 as a management trainee with J. P. Stevens. He advanced to successively greater responsibilities within the Stevens organization, serving as Plant Superintendent in 1952, Plant Manager in 1954 and Division Manager in 1955. In 1959 he became General Manager of that firm's six-plant Utica-Mohawk Division. More recently he has served as vice president and general manager of Abney Mills, Greenwood, S. C.

Angina pectoris is the result of an inadequate supply of blood to the heart muscle. It occurs when the flow of blood is not sufficient to provide the heart with the oxygen it needs, the North Carolina Heart Association says.

Phillip Brooks Joins Local Branch Of First Union Bank

First Union National Bank of N. C. announces the addition of Phillip G. Brooks to its Brevard office.

Mr. Brooks has been assigned to the Installment Loan department as an Adjutor and Loan Trainee. He replaces C. Gerald Greene, who was transferred to the Hendersonville office of First Union in November.

Mr. Brooks was born and reared in Canton, where he was graduated from Waynesville high school in 1960.

He is a Sgt. in the Army Reserve, Company I 323rd Regiment, 108th Division, headquartered in Asheville.

Prior to joining the Reserve, he had served in the Army for six months at Fort Jackson, S. C.

Mr. Brooks was formerly associated with the Stephenson Finance company of Asheville with whom he had worked as

an Adjutor for two years.

He is married to the former Peggy Queen of Marion, who is employed by the Southern Bell Telephone and Telegraph company in Hendersonville. Mr. Brooks and his wife are members of the Oakley Baptist church.

Jehovah's Witnesses At Meeting

"A Christian trying to stay on the straight and narrow course that leads to life is likened to a lone driver trying to navigate a narrow, slick and crooked road on a cold, rainy night when he is sleepy. Just because the driver made an unwise maneuver and slid off the road, he should not accuse God of abandoning him and not being interested in his well-being," said Joseph Saia, the Watchtower Bible Society official, at the convention of Jehovah's Witness in Forest City last week end.

The Brevard delegation was among the 771 in attendance when Mr. Saia said, "Man has developed a faith in force rather than a force of faith. In the process they declare that 'God is dead,' and deny the Bible and its counsel. The result is the inconsistencies we see today. In fact, one religious authority made the statement that 'while the religious curve is up the moral curve is down.' Another made the statement that 'the return to religion has not produced moral fruitage.' Jehovah, whose lofty principles do not change, deprecates the international breakdown of morals and will shortly intervene to bring it to a halt, much as he did in ancient Israel's day."

Saia assured the convention, "Man and his affairs interest Jehovah God. History shows that God has intervened in men's affairs and the world situation today requires God's intervention again. The interest God has in men's affairs is not a cold, clinical interest, but is a personal one since each one of us is, according to Scripture, 'accountable to Him.' God's interest in us is like the interest of a loving father seeking the welfare of his family."

Donald A. Jones, presiding minister of the Brevard congregation said, "Our delegation received much detailed instructions in expanding our local ministry especially in its teaching phases and Bible tutoring work."

Santa then presented gifts to the parents which the Cub Scouts had made at their weekly den meetings. Candy Canes were given to each Scout and child at the meeting.

Cubmaster Nissen closed the meeting by urging each Cub Scout to consider the finest present they could give to their Pack, to their parents, to their country and to God — their

Postal Rates To Be Increased Jan. 7th, Postmaster Announces

Increase rates for all classes of mail except parcel post and inter-national mail will go into effect January 7th, Postmaster Charlie Patton, Jr. reminded postal customers today.

"Even with the new rates of six cents for first - class mail and 10 cents for air mail, postal service is still a real bargain," Postmaster Patton declared. "For six cents you can send a letter to any of the 50 States, to any United States territory or possession, to Canada or Mexico, or to an American serviceman stationed anywhere in the world."

Postmaster Patton pointed out that the new rate for post cards will be five cents and for air mail post cards eight cents.

He said the added cent in the letter rate is a 20 percent increase compared to a 24 percent boost in the rates for mailing newspapers and magazines and a 34 percent hike for advertising circulars, "occupant" mail, and other material in the third - class category.

The new rate of six cents per ounce for first - class mail applies up to 13 ounces and the new rate of 10 cents per ounce for air mail applies up to 7 ounces. Under the new rate structure all first - class mail over 13 ounces and all air mail over 7 ounces will be merged into a single category.

These heavier pieces of first-class and air mail subject to the single rate schedule will be delivered by the fastest available means of transportation.

A flat rate of 80 cents will be charged for all mail in this category up to one pound. For all mail weighing more than one pound, the present air parcel post rates will continue to apply, except that the postage on matter weighing between one and five pounds will change at half-pound intervals rather than one pound intervals.

Postmaster Patton said that the new rate structure will mean a reduction of postage on some parcels.

Another rate change that will affect the general public is the increase from four to six cents for the first two ounces of individual pieces of third-class mail. Unsealed greeting cards may be sent at this rate, Postmaster Patton said.

He emphasized that the new rate on unsealed greeting cards will not go into effect until January 7th and until then they can be mailed at the old rate of four cents.

Postmaster Patton also noted that effective January 7th special handling will be available on third - class parcels weighing between eight and sixteen ounces. Special handling has not been available on these parcels since 1958, when packages weighing between eight and sixteen ounces were transferred from fourth to third-class mail.

There will be no changes in the charges for special delivery,

BEST. The Pack repeated the Cub Scout Promise led by Russell Folger. Refreshments were served following the meeting.

When you think of prescriptions, think of VARNER'S, adv.

Cub Scouts Of Pack No. 711 Use Christmas Theme At Meet

On Wednesday, December 20th, Pack 711 held their December Pack meeting at the American Legion building. The theme of the meeting centered on Christmas.

The opening Ceremony was conducted by Webelos Den 1. Following the ceremony, each of the dens led the Pack in singing a Christmas song. These included Jingle Bells, Rudolph the Red Nosed Reindeer, White Christmas, Away In a Manger and Silent Night.

Two of the dens presented skits. Webelos Den 2 read the Christmas Story and sang a Christmas Carol. Webelos Den 3 provided some humor with their "Wishy Washy" skit.

David Mitchell had joined the Pack since the last Pack meet-

ing, so he and his family were recognized. Larry Keever was promoted to Webelos Rank. Phillip Craine and David Waser graduated to Boy Scouts.

The Goodwill Will project for December was a gift of money for Mrs. Gordon's Special Education Class at the Junior high school. The Cub Scouts taped their gifts to a paper tree which will be presented to the class to buy classroom aids.

The Pack was then pleasantly surprised by the arrival of Santa Claus. Santa watched as the Cub Scouts decorated the tree with ornaments they had made themselves. Following the decoration of the tree, Santa assisted Cubmaster Nissen in presenting the awards. The following received awards:

Den 1: David Secrest, Joe Har-

Resolved
