Since the trail had no appropriate name, Peter J. Mr. Hanlon presented his idea to members of the Carolina Mountain Club, many of whom live in this area.

Ceremonies will be held at the entrance to the trail approximately 200 yards north of U.S. highway 64 on the Brevard side of the Davidson River bridge. U. S. Forest Service personnel will be stationed near the site to give direction and to assist with parking.

Portions of this trail were known in the past as the Neill Gap section, Cedar Rock trail, Silver Mine, Shuck Ridge and Farlow Gap, among others. It remained in scattered sections until about 15 years ago when Mr. Loeb and Keith Argow of the Forest Service

Town Precincts Give Favorable Vote On Tuesday

A one cent sales tax, entitled "Penny For Progress", for the benefit of town and county governments was defeated by Transylvania county voters in Tuesday's statewide election.

This county was one of 75 defeating the measure in the state, and it was passed in only seven Western North Carolina counties.

The four Brevard precincts passed the "Penny For Progress" vote, but it was defeated in the county boxes.

It did pass, however, in two outside boxes, Balsam Grove 28-22, and East Fork 18-15.

The vote will be canvassed on Thursday by the Board of Elections and declared official at that time.

SAVINGS WILL GO INTO BANK NOW—Mr. and Mrs. George Hendrix of the Lake Toxaway area, left, are shown receiving a check for \$1700 from Mrs. Marian McMahon, Clerk of Superior Court, Transylvania County. The money, saved over many years by the elderly couple, was stolen from where it had been kept hidden under their mat-

trass. It was returned by B. C. Stansell on the order of Superior Court Judge, P. C. Froneberger of Gastonia. With the money back in hand, the Hendrixes say this time it's going into the Brevard Federal Savings and Loan Association rather than back under the mattress. (Times Staff Photo)

Mr. Kirby indicated that the present total represents a substantial number of the largest gifts that were anticipated during the current drive.

Dr. Milton Massey, County United Fund President, also issued a plea for the personal involvement of all Transylvanians.

The October Term of Superior Court in Transylvania county continued active last week.

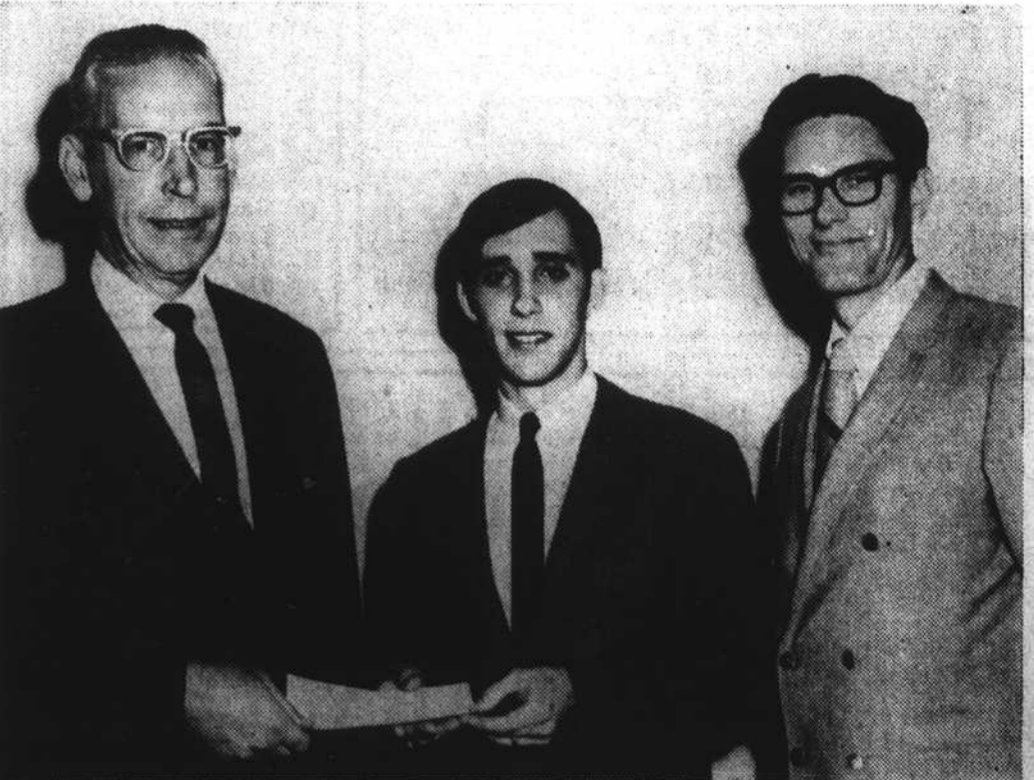

Presiding Judge P. C. Froneberger of Gastonia, handed down several decisions and remanded several cases to the District Court for compliance with earlier sentences.

Money Returned

In perhaps the most newsworthy case, the sum of \$1700, stolen earlier, was returned by court order to Mr. and Mrs. George Hendrix of the Lake Toxaway area.

The happy elderly couple, who had saved the \$1700 from their Social Security and egg sales over a period of many years, are shown receiving a check for their returned money in a photograph accompanying this article.
