# Taking Of Census Should Be Completed In County Saturday

Census taking in Transylvania county should be completed on Saturday of this week, Mrs. Jane Johnson, who is directing, announces.

She says the 18 enumerators are busy finishing up their reports.

If anyone is missed, he can call Mrs. Johnson at telephone 883-3368.

"We want to be sure that we have counted everybody," she declared.

Mrs. Johnson says the last two areas to be completed in Transylvania are along US Highway 61 and the Deerwoods Lane area.

Last week she reported that the enumerators were

having trouble counting people living in trailers since the trailers in some places were here today and gone tomorrow.

During the past week, she said the enumerator in North Brevard had a house moved and that caused a problem.

"We have had some wonderful experiences and the people have been most cooperative," the director said.

Census taking began here and throughout the United States on April 1st.

She hopes to have some figures on Transylvania's 1970 population around May 15th.
