Babe Ruth Baseball Teams Are Competing For Aetna Trophies

Babe Ruth Baseball teams in the Brevard area are again competing for championship trophies to be awarded by Aetna Life & Casualty.

General Agent James T. Estes, CLU, head of the company's life division at Charlotte, said his office will present trophies to winners of Babe Ruth district play-offs in the area as part of a national Aetna-Babe Ruth awards program.

Countrywide, Aetna Life & Casualty will present more than 700 team and individual trophies to district, state and regional champions, and to competitors in the Babe Ruth World Series to be held at Brawley, Calif., August 21st - 29th.

Wildlife Club Will Elect New Officers Thursday Night

The Transylvania Wildlife Club will meet on July 16th at 7:30 p. m. in the Conference room of the First Citizens Bank & Trust Company.

All members are urged to be present and guests are cordially invited to attend the meeting as officers for the coming year will be elected and other business will be taken up.

A NEW FIELD HOUSE is currently under construction at Brevard high school, and, if things go as planned, the new facility will be ready for use when the Brevard Blue Devils host the Hendersonville Bearcats in the season's grid opener on Friday, September 4th. All of the labor on the project is being donated by many local interested persons, and a substantial donation on the materials has brought the overall cost of the much-needed building way down. BHS coaches, students and former students, and many skilled construction workers, all

working under the capable supervision of Robert Merrill of Merrill's Masonry, Inc., are putting in many man-hours daily to have the field house ready soon. When completed, the field house will have dressing rooms for varsity and junior varsity athletic teams, will house all athletic equipment and laundry facilities, and will also be used by the wrestling team for practice sessions. All persons willing to donate some of their time and effort to a very worthy project are welcome to come out and "pitch in" at any time.

Fly Casting And Fly Tying Clinic Set At Camp Straus

The Pisgah Chapter of Trout Unlimited will conduct a Fly Casting and Fly Tying Clinic on July 20th at the Camp Straus Lake, beginning at 7:30 p. m.

The public is invited at no charge.

Fly casting demonstrations will be conducted by one of North Carolina's master fly fishermen, Cap Weisley of Lenoir, North Carolina.

There will be several in-

structors available to assist anyone with casting problems. There will be practice rods available for public use, however, it is suggested that you bring your own equipment.

Local fly tyers will conduct classes in the art of tying dry flies, wet flies, and nymphs.

Bring your entire family and plan on an informative evening in the art of fly fishing.

Noted Golf Pro To Hold Clinic At Etowah Valley

Paul Hahn, noted golf pro and trick shot artist, will be at Etowah Valley Golf Club Thursday afternoon, July 23rd, to present a golf exhibition and clinic.

In announcing Mr. Hahn's scheduled performance, Etowah Valley golf pro Carlos Maness stated that he was delighted that a golf personality of this calibre was coming here.

"He's a great golfer and entertainer, and some of the shots he makes are simply unbelievable," Mr. Maness stated. "And I know that everyone

fortunate enough to see this exhibition and clinic will have something to remember."

Mr. Hahn, playing out of the Country Club of Miami in Florida, will start his exhibition Thursday afternoon at 5:30 p. m. The clinic is scheduled to last approximately one and one-half hours.

Admission to the clinic will be \$1.00 per person.

Counted In The Census? Forms Available If You Were Not....

Mayors in all towns and cities have been asked to cooperate in a final step of the 1970 Census enumeration.

According to Joseph R. Norwood, Regional Director, "Were You Counted" forms are now available for those

persons who have expressed some doubt that they were included in the 1970 Census.

Mr. Norwood has contacted Mayor Raymond F. Bennett, and the forms are available at the City Hall.

They must be filled in and

mailed within the next two weeks.

The mailing address is as follows:

U. S. Census Bureau
Population Count Office
Jeffersonville, Ind. 47130

When you buy or build a home in the Southeast, consider the insulation qualities of wood, reports the Southern Forest Institute. A one-inch thickness of lumber, according to the Institute, provides the same insulation qualities as six inches of brick or twelve inches of concrete.

Showers Provide Relief To Crops

Thundershowers Tuesday came none too soon to provide a measure of rescue for the vegetable crops of the town and county.

Lawns were also drying up

as were pastures out in the county.

Over an inch of rain fell in Brevard around 2:00 o'clock Tuesday afternoon in 45 minutes, and hail was reported in some sections of the county.

The high winds caused some damage.

Electrical power was off at the hospital for an hour and five minutes, but there were no problems since the facility is equipped with an emergency generator.

John W. Bailey, administrator, said Duke Power company crews did a marvelous job in restoring the current so quickly and under such adverse conditions.

Afternoon and evening thundershowers are predicted for the rest of the week.

The VA suggests that GI insurance policyholders who receive VA compensation or pension payments may want to consider having their insurance premiums deducted from their monthly checks.
