WOW Officers Are Elected

(Continued From Page One) watchman; George Newman, secretary; J. I. Ayers, secretary; Mrs. Melvin L. Gillespie, musical; and Alfred Galloway and James C. Gaither, trustees.

The newly elected officers will be installed in the near future, and probably in a new meeting place, since the old meeting place must be given up.

A new meeting place was discussed at the last meeting, and as soon as a new location can be established, all Woodmen will be notified, according to Camp Secretary J. I. Ayers.

Homemakers Hints

Four hundred million cases of low caloric beverages were sold in 1966.

Orange juice used as the basting for roasted duck, entrees, spareribs and chicken provides a gentle flavored, delicious variation of these dishes.

Americans eat nearly 16,500,000 peanut butter sandwiches every day.

Pickles are a zesty accompaniment to meals. Served alone, in relish trays, they are delectable. When minced or slivered into main dishes, they intensify the flavor of the entree.

When using the cured vegetables as an ingredient, add only small amounts. Too little is safer—and tastier—than too much.

Here's a popular economy dish you'll want to try. It's sausage Spanish rice in which minced dill pickle, together with thyme and onion, lend an interesting flavor lift.
