Good News Report

(The Asheville Times)

From G. E. Setzer, Asheville: In a day when man's apathy to the plight of his fellow man is often brought into focus, it is good to relate an incident of concern.

Last Friday I witnessed a scene worth relating. It involved a lady who called Southern Bell's Asheville business office and was noticeably upset. In time she became more emotional and related her plan in her anger to shoot her husband.

Mrs. Kathryn Messer and Mrs. Jane Wilson stayed on the telephone with the lady for almost an hour after the office was closed. They calmed her and a young daughter, while over another phone, they searched for a relative, a neighbor, or a friend who would come to her home and take the gun from the lady and settle her down. The vigil was kept until the summoned friend arrived and announced to the telephone ladies that everything was under control.

Neither lady knew the distraught woman, but they displayed deep concern for their fellowman. When many would have been eager to pass the incident off as none of their business and go home on time at the end of the work week, these ladies showed love for a unknown fellowman which is worthy of recognition.

(Editor's note: The Mrs. Wilson referred to above is Mrs. Sid Wilson, of Enon. Her father is George Merrill, of Etowah. The Times is happy to report such "Good News" items as the one above.)

Mr. and Mrs. Manning Littleton were Sunday guests of Mr. and Mrs. Alvin Dodson and Mr. and Mrs. Homer Littleton in Etowah.

Harry Morgan returned home Monday from Transylvania Community Hospital where he has been undergoing treatment. He is reported to be improving.

Mr. and Mrs. Curtis McCall of Brevard spent Sunday as guests of Mr. and Mrs. Jesse Raines.

Mrs. Ed Jones is spending this week in Marietta, S. C., with her sister-in-law, Mrs. Leona Jones.

Sunday guests of Mr. and Mrs. C. C. Garren were Mrs. Perry Russell and children of Waynesville, Mr. and Mrs. Carroll Russell of Canton, and Mr. and Mrs. Grantlee Crowe of Easley, S. C.

Mrs. Stanley Knight and daughters Tamala and Aretha have returned to their home in Clarksville, Ga., after a visit with Mrs. Knight's parents, Mr. and Mrs. Talmdage Brooks.

W. J. Moore, who is undergoing treatment in Transylvania Community Hospital, is reported to be improving. Pvi Chester Chappell of Ft. Jackson, S. C., spent the weekend with his parents, Mr. and Mrs. Robert Chappell.

EASY WAY TO APPLY TIRE CHAINS

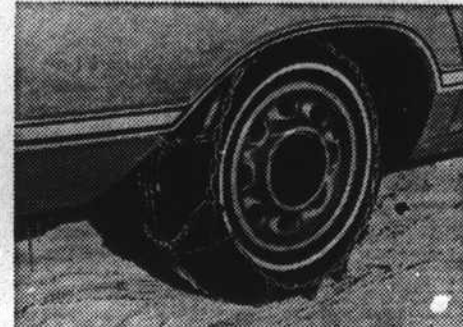

With a little "know-how" and practice, it can be done in 6 minutes, without a jack and without getting your clothes dirty.

STEP NO. 1 Spread the chains on the ground behind the rear wheels to remove tangles. Hooks should be to the rear. Reinforced chains are best and the projecting teeth or cleats should be facing up.

STEP NO. 2 Gather the chains behind the tire so they won't catch the fender, and attach the end links to the "chain applicator," a simple spring steel wire that is easily slipped onto the tire.

STEP NO. 3 Drive the car forward about one wheel revolution, so that the applicator carries the chains around the tire.

STEP NO. 4 Remove the applicator and fasten the inside hook first, then the outside hook. With a little practice the inner hook can be fastened by "feel" without getting under the car.
