### Track Team Loses First Contest In Two Years

The Tornadoes lost their first track meet in two years against Milligan and Carson-Newman at Milligan. The team pulled first place in six events but lacked team points. First places were made by Ed Williams in the long jump event with a distance of 22 feet, 8 inches; Jerry Neeson in the javelin event with a throw of 186 feet, 9 inches; Lennox Stewart had a first in the mile run, but was disqualified. Williams also placed first in the triple jump with a time of 57.4 and took first place.

Brevard was missing Clarence Thomas and Reggie McAfee at this meet.

The team fared better in a meet Monday, April 27, against Wingate and Lees McRae, if winning 14 of 17 events is fairing any better. The Tornadoes absolutely swamped the two other contestants. First places in the events were as follows: Jerry Neeson in the javelin with a 190' 7"; Dink Barfield in the high jump with a 5' 8"; Bob Vasile in the shot with a 41' 14"; Neeson in the pole vault with an 11' even; Barfield in the long jump with a 22' 1/4"; Vasile in the discus with a 145' 1"; Brevard also won the 440 relay with a time of 1:45.00; Reggie McAfee in the mile with a 4:43.5; Joe Hamilton in 120 hurdles with a 15.1; Hamilton in the 440 intermediate hurdles with a :50.5; McAfee in the 880 with a 2:07.3; Sizemore in the 440 with a 52.7; and Barfield in the 220 with a 23.4. ### IM Softball Program Approaches "World Series"

Intramural softball moved into its final games this week as the stage is set for the intramural "world series" between the two top teams, Green I and III remain in the number one positions as they knock off previously unbeaten Beam. Thus Green I and III clinched a spot in the playoffs.

Beam assured itself of a spot in the playoffs by trouncing the Faculty and Day Students Monday afternoon in a fine display of hitting and fielding by the Beam contingent and the two teams from Green.

The intramural "world series" was slated to begin Wednesday unless Green Basement and II beat Green I and III. If such a case occurred there would be a playoff among the three teams.
