## Summer Physical Fitness Program To Be Held At Brevard High

Plans to hold the third annual Brevard High School Summer Physical Fitness program have been announced by Ed H. Emory, who will be the program's director.

The program, open to all Transylvania residents, public and private school students in junior high, high school and college, will start on Monday, June 14, and will continue through Friday, July 30th.

Courses will be offered in fundamental sports and weight training, for boys 12 through 15 years of age, and in advanced weight training and sports for those 15 through 18.

All classes will be held at the Brevard High School gym or Field house.

In addition, a summer basketball league has been formed for those 13 through 18 featuring play in an 11-game schedule.

Tuition for the program will be \$5.00, and all fees will be used for the cost of awards, officials and instructors materials, and to expand the program.

Those interested in participating in this well organized program are urged to contact Coach Ed Emory at Brevard High School as soon as possible.

Play got underway this week in the Transylvania Babe Ruth League here, which means that all three youth baseball leagues are now in full swing.

In Tuesday afternoon's opener, Manager John Monteith's Orioles edged the Jays in the bottom of the seventh inning 3-2 to grab the early league lead.

Dwight Perkins went all the way on the mound for the Orioles to receive credit for the win, allowing only three hits.

Wednesday afternoon, the Tigers and the Dodgers played their openers, while the rest of the week's Babe Ruth schedule finds the Jays and the Tigers playing on Thursday and the Dodgers and the Orioles meeting Friday afternoon.

All Babe Ruth League games are played on the L. F. Dixon Field close to Pisgah Forest Elementary School at Pisgah Forest. Game time each afternoon is 5:15 p.m.

A complete Babe Ruth League schedule is carried in this issue of The Times on page four, section three.

Play in the Minor League and Little League is currently in its fourth week, and interest and participation in the two leagues has never been better here.

In the Minor League, Manager Joe Whitaker's undefeated Cardinals are currently leading the seven team league, but several other teams are in close contention.

Manager John Danielson has his Braves undefeated and on top in the eight team Little League, but here too, several teams are breathing right down the leader's neck.

A sign of the close competition in the Little League this year can be shown in the fact that every team in the league has already won at least one game this early in the season.

One Little League manager summed up the situation nicely when he quipped, "The only easy games in this league are those that we've already played".

Crowds have been large and enthusiastic at all games played so far, and those persons who enjoy baseball are cordially invited to come out most any evening and see these local youngsters perform.

Currently, three games are played each evening, except Wednesday, beginning at 5:30 p.m., at the E. L. Lynn Field at Pisgah Forest.
