Fortnightly Club Meets

The Fortnightly Club held its final meeting until September on May 25th, at Camp Strauss. Each member brought her favorite casserole and exchanged her "secret recipe" with those of the others.

The nominating committee presented the names of the officers for 1972 which were elected at the meeting. They are: President, Mrs. J. S. Judson; Vice-President, Mrs. E. R. Ullom; Recording Secretary, Mrs. G. T. Thomas; Corresponding Secretary, Mrs. A. E. Norville; and Treasurer, Mrs. L. P. Deavor. The officers will attend training sessions this summer and will take office at the beginning of next year.

It was announced that the project of the book cart for the hospital is nearing completion, and that it should be in service this fall. We wish to thank those who attended the Card Party and those who made contributions for this project.

When you think of prescriptions, think of VARNER'S, adv.

AAUW Is Seeking Books For Annual Sale

On Friday, June 11th, the annual book sale sponsored by the local Branch of the American Association of University Women will be held on Broad Street in front of Morris Pharmacy. The sale, which Mrs. Frank Sutherland and Mrs. H. W. Sigmon are co-chairmen, will open at 10:00 a.m. and close at 6:00 p.m.

The proceeds will be given to the AAUW Fellowships Fund which Mrs. Sigmon, Fellowships Fund Chairman, describes as a Fund which enables gifted women to use their intellectual abilities for the good of humanity. The financial aid is made available to qualified women of the United States and other countries who have finished all their course work toward a doctorate but who find it financially impossible to complete their dissertations. Fellowships are also granted for graduate study or research in such fields as teaching, medi-

cine, public health and social work.

Members of the AAUW voluntarily contribute their efforts and money to this 83-year old program to advance the education of women, widen the fields of learning and raise the standards of scholarship. The need is great ten times as many awards are needed as can be granted due to financial limitations.

Anyone who has books to donate for the benefit of the Fellowships Fund and to be included in the sale on Friday, June 11th, may leave them at the home of Mrs. Walter Holland, 290 Maple street, Mrs. John Eastes, 600 East French Broad or Mrs.

Going Away Party Is Held

A going away party was held at the home of Mr. and Mrs. Robert Youngblood. Both families are being transferred to Washington, D. C. by RCA.

The party was sponsored by the Alpha Phi Chapter of Epsilon Sigma Alpha, of which both Jan Ewing and Emily Youngblood are members. They were each presented with sterling silver place card holders from the chapter.

Every member of Alpha Phi was present along with their husbands. Guests included Mr. and Mrs. Steve Dense, Miss Jackie Dense and Mr. Andrew Thomas.

Vasant Chapnerkar, White Oak Park.

Attention Club Reporters

The deadline for news for the Society pages and the pages of News for the Women is 5:00 o'clock on Monday afternoon.

Copy should be typed and on sheets, size 8½ x 11. It should also be double spaced.

The Society Editor will edit and headline the copy.

Please contact us for any further information, and we want to assure you that it is a pleasure to work with you in publicizing the activities of your club.

The Editor

A BRIEF HISTORY of the Brevard Garden club is carried elsewhere on this page. The officers of the club are pictured above. Reading from left to right, they

are: Mrs. Jerry Jerome, Secretary; Mrs. Hugh Hollifield, Vice President; Mrs. Ray N. Simmons, President; and Mrs. Paul Owenby, Jr., Treasurer.

Brevard Garden Club Formed In 1937, Brief History Given

The Brevard Garden Club was organized January, 1937, with 25 charter members. The object of the club was to stimulate love and knowledge of gardening, flower arrangements, and aid in conservation and civic improvements.

The club chose the Flame Azalea as the club flower. The club was sufficiently organized by 1939 to contribute financially to some civic and welfare projects. They decorated a public lot and playground for children and visitors.

In 1940 at the November meeting, the club decided to join the North Carolina Federation of Garden Clubs. Dues were sent to headquarters in February, 1941, and in March, 1941, the club received the note of welcome into the Federation by member clubs.

In 1951 a memorial marker known as the Blue Star Marker, was placed at an appropriate spot on Highway 64 in memory of the World War II heroes.

Down through the years, the club has been very active with flower shows, Christmas lighting and decoration con-

tests, and programs to clean up, plant flowers, set out shrubs and trees to enhance the beauty of our town and surrounding areas.

The club has received on several occasions a certificate of honor from the Garden Club of North Carolina, Inc., in appreciation of outstanding service.

The Brevard Garden Club is known as the mother-club since it is the oldest club in the county. Now there are four garden clubs in the county. The other three are The Transylvania Garden Club, The Sylvan Valley Garden Club, and the High Hills Garden Club. There is also a junior garden club which is very active.

The Brevard Garden Club now has a membership of 27 members with two of these members being charter members. They are Mrs. Coleman Galloway and Mrs. L. P. Hamlin.

The Brevard Club held its May meeting with a wild flower pilgrimage and picnic near the falls at Glen Cannon. Mrs. Paul Owenby and Mrs. Ray Simmons were hostesses. Mrs. Walter Vaughn and Mrs. R. T. Kimzey won the prizes as naming the most wild flowers. The club will meet in June with Miss Gail Scott and Mrs. Hugh Hollifield as co-hostesses.

These Days

(Continued from Page Three)

come dismal indeed. Mr. Pardridge leaves government spending out of his equations simply because it does not increase the sum total of economic wealth in an essentially capitalist society. As he says, tax dollars taken from a producing economy to buy, say, a fighter plane represent a displacement rather than an addition to production. (If left in the hands of private individuals the fighter plane money would have been spent for something else.) He finds the Gross National Product figures for both total spending and private spending deceiving for several reasons. One, a comparison of GNP from year to year does not take population changes into consideration. Then there is the little matter of real prices; we must know what dollar we are reckoning things in if we want to get at the truth. The dollar is worth less from year to year.

If reckoned in 1969 prices, the \$663.5 billion figure for 1970 private production shrinks to \$623.7 billion, which is less than the \$641.3 billion for 1969. So what we had was a real decline in production even though the published figures showed an increase. Per capita, things are even worse than the corrected figures figures show, for the population increased in 1970 even as production was falling off.

Thus we become a poorer nation. This is what Mr. Pardridge is trying to tell us. But who listens?

Plan Shipman Reunion Next Sunday, Etowah

The Shipman Reunion will be held Sunday, June 13th, at the Etowah Grange building at Etowah.

Doors open at 10:00 a.m., and lunch will be served at 1:00 p.m.
