Wide Variety Of Intramural Sports Offered On Campus

A wide variety of intramural activities are planned for Brevard College during the 1971-72 school year. Designed to provide wholesome physical activities for all students, the program is divided into men's and women's divisions.

Men's team sports to be offered include flag football, basketball, volleyball, softball, soccer, track, swimming, and cross-country. Individual sports will be tennis, badminton, ping-pong, billiards, horseshoes, and handball.

Among the women's team sports being scheduled are basketball, volleyball, kickball, softball, and swimming. Badminton is planned as a doubles sport, and target archery, badminton, tennis, ping-pong, pocket billiards, paddle ball, basketball free throws, and basketball accuracy are individual sports.

Mr. Larry Burch is serving as director of men's intramurals. He is aided by Lanny Cole, student director.

Acting as women's intramural director is Miss Gail Anderson. Her student assistant is Becky McGrady.

Mites And Midgets Victorious West Henderson By Scores, 20-0

Brevard Mites were impressive in scoring a 20-0 win over West Henderson at Brevard High School Field Saturday.

Eric Crite led the scoring with two touchdowns and Charles Thompson scored the other and added two points on a run conversion.

Defensive standouts were Richard Kilgore and Billy Angel. The Mites record is two wins, no losses.

Brevard Midgets, with Denver Whitmire at quarterback, followed the Mites and duplicated their scoring by blasting West Henderson Midgets 20-0. Touchdowns were scored by Denver Whitmire, Charles Gray

1971 Football Schedule Brevard Midget and Mites

Away—North Buncombe	September 18
Home—Rosman	October 2
Home—East Asheville	October 9
Home—Biltmore-Valley Springs	October 16
Away—East Henderson	October 23
Away—Old Fort	October 30

DID YOU KNOW?

Of all the teenagers in the world, the Americans (23 million of them) are the most powerful. Reason: they have a fantastic purchasing power of \$15 billion per year on their own and a direct influence in spending an additional \$35 billion of family funds.

- 1—Teenage boys—only 12 per cent of the male population, buy more than 40 per cent of all male sportswear.
 - 2—Teenage girls—11 per cent of the female population, buy 20 per cent of all women's apparel.
 - 3—Teenage girls account for 30 per cent of all cosmetic purchases, 25 per cent of all greeting cards, 50 per cent of all record albums.
 - 4—About 13 million teenagers play at least one musical instrument, 16 million own at least one camera, 19 million read one to five books (not textbooks) a month.
 - 5—Teenagers own 1 million TV sets, 100 million record players, 20 million radios, and one of every ten automobiles.
- Who spends the rest — the adults — of course.

Mr. Merchant: If you want to reach the Teenagers in Transylvania, advertise each evening during WPNF's Record Party. That's from 7:05 until 10:00 o'clock each night over

NEW HEAD COACH MORAN watches his soccer team in a practice drill.

Brevard College Soccer Team Has 11 Returning Sophomores

Although this year's edition of the Brevard College soccer team may not be up to last year's, and may not make the national play-offs, in the eyes of its new coach, Hugh Moran, it has much to offer. Besides being well trained, it is hard working and seems to have enough determination to make this year's season a memorable one. Coach Moran's only regret is that more sophomores did not go out for the team.

Participating on the team this year are sophomores Tim Chance, Burton Kennedy, Neal Moore, Robert Reper, Harley Smith, Larry Swift, Ed Wallace and John Warlick. Dennis Allen Koon, Sonny Merrit, Tony Brown, Jimmy Jacobs and Jerry Tuttle, also sophomores, were chosen as tri-captains.

The team will make its first showing on Tuesday, September 14, when it meets Clemson University at Clemson, South Carolina.

Personals In Oakland News

By - Mrs. I. S. Sanders (Too late last week)

OAKLAND — Labor Day was spent very quietly here Monday. Community work including sawmill work went on as usual.

Mr. and Mrs. Bob Cloer and grandson, Billie, were weekend guest of Mr. and Mrs. L. E. Cash. Mrs. Cora Cash returned to Marion for a few days visit with her children.

Mr. and Mrs. Frank Revis have moved back from Selma to Rosman.

Mrs. Garcia Chappell writes friends here. She made a trip recently to Albuquerque, New Mexico, for a visit with her daughter, Mrs. Artence Hinkle and family. Mrs. Hinkle brought her mother back home to Oak Ridge, Tennessee.

We are still having severe thunderstorms and heavy rains, mostly evenings and nights.

Weekend guests of Mrs. J. L. Sanders on Saturday were Mrs. Bertha Case and Miss Nina Pitts of Seneca on Monday, Themer Wilson and wife, Ila and Cloe and Louis Chastine of West Minister, S. C.

Mr. and Mrs. Bill Norton and baby, Angelia Diane, of Pickens, S. C., visited their parents, Mr. and Mrs. Clarence Norton, Sunday, also called on Mr. and Mrs. I. S. Sanders.

Mr. and Mrs. Weaver Taylor have returned home from a visit to see their brother, Lane Sanders, in Rockford, Illinois. They were joined by their son, Spec/5 Rex Taylor in Washington, D. C.

Mr. and Mrs. Jack Burgess of Mt. Holly and other friends from Pickens, S. C., visited the home of Mr. and Mrs. James White, Sunday.

Flower Gardening

(Continued from Page Six)

planted where they will not be dug into. Planting annuals (such as sweet allium) before the lycoris foliage dies down, (as a groundcover) would be marvelous.

If Lycoris clumps have become too crowded in your garden they can be dug and divided soon after blooming in fall. Re-work and re-fertilize the soil before replanting. Good luck!

September is also Peony planting time, too. For New ones, that is. Never bother peony clumps that are flowering successfully. They will bloom for fifty years if they're happy. Be sure you cover no deeper than two inches the pink buds above the roots. Mulch the first year over winter, taking this away in spring.

After a hard frost has hit the foliage and browned it, cut it off and burn it to insure against botrytis blight.

Timely Tips: move shrubs now... plant bulbs as soon as they are available... Divide Bleeding Heart and replant this month... Set Siberian Iris, Japanese Iris and Daylilies also... Thrift should be set now as should Shasta Daisies and Stokesia... If you started biennials in spring, they can go into places planned for them and mulched... Cut all dead annuals as they finish blooming and keep the garden neat... Save seeds now... Start potting things you want to save before Frost!

Flower Spotlight on the magnificent flowers grown by Mrs. Arthur Whitmire of Calvert. So many rare plants such as white bleeding-heart. Its beauty is almost unbelievable. The hearts are snow white with a tiny crimson red flower at the tip... the Silver Bell vine with bells of silver in young growth turning to rich purple at maturing... many unusual ferns... all colors of achimenes... fabulous velvety red hibiscus and the most appealing "Climbing Black Eyed Susans." So many, many more. Wish I could name all of them, but space doesn't permit.

At Mr. and Mrs. P. H. Rahn's, 72 E. Probert St., the most glorious and luxuriant array of Roses and Sultana imaginable.

At Mrs. J. E. Pettit's, 105 Minor St., the loveliest Heavenly Blue Morning Glories and other flowers.

So long, gardeners!

When you think of prescriptions, think of VARNER'S, adv.
