

Little River Club Meets, Much Visiting In Community

By - Mrs. George Hudgins

LITTLE RIVER — The Little River Extension Homemakers Club met last Wednesday at the home of Mrs. George Hudgins with a large group attending. They gathered in backyard picnic area and although a little chilly at the start a roaring fire made it very nice.

Devotion was given by Mrs. John Cox after which Miss Jean Childers gave a very interesting program on making lamps from bottles and re-covering lamp shades.

Achievement day was discussed and Mrs. Merrimon Shuford, foods leader for the club completed her plan for food for the luncheon on that day. The club voted to continue with the tea cart at the hospital on each 5th Sunday. The meeting closed with the collect and then enjoyed homemade ice cream and cake.

Board Of Education Adopts Policy Regarding Free Lunches At School

The Transylvania County Board of Education today announces a free and reduced price lunch policy for Transylvania County school children unable to pay the full price.

Families falling within the scales or those suffering from unusual circumstances or hardships are urged to apply for free or reduced price lunches for their children. They may do so by filling in the application forms sent home in a letter to parents.

Additional copies are available at the principal's office in each school. Applications may be submitted any time during the school year. The form itself is simple to complete and requests information needed to determine economic need based on the income and number of persons in the family and any unusual circumstances or hardships which affect the family's ability to pay for school lunches.

The information provided on the application will be confidential and will be used only for the purpose of determining eligibility.

Under the provisions of the policy the Principal of each school will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the local official, he may make a request either orally or in writing for a hearing to appeal the decision. Mr. L. C. Case, III, whose address is Lake Toxaway, North Carolina 28747 has been designated as the Hearing Official. Hearing procedures are outlined in the policy.

The policy also provides that there will be no identification of or discrimination against any student unable to pay the full cost of a lunch.

A complete copy of the policy is on file in each school and in the office of the Superintendent (Central Office) where it may be reviewed by any interested patron.

When you think of prescriptions, think of VARNER'S, adv.
