

It's The New Law

By - J. C. ROWE
Chief, Brevard Police

Editor's note: The 1970 North Carolina General Assembly made 84 changes in the state Criminal Statutes—wrote some new laws and changed old ones by addition or deletions. Since these laws affect the general public, Brevard's Chief of Police, J. C. Rowe, has collected the changes and THE TIMES is publishing them over the next several months as a public information service. The laws are here published as they appear in the General Statutes; no effort has been made to explain or interpret them. This is a function of the legal profession and the courts.

Laugh Corner

"Now tell me," said the teacher. "What is the opposite of misery?"
"Happiness," replied the class.
"And sadness?"
"Gladness," came the answer.
"And the opposite of woe?"
"Giddap."

A businessman had to go to New York to attend a conference. His wife decided she'd like to go with him.

"But I'll be tied up nearly all the time," he protested. "You wouldn't enjoy going at all."

"Oh, yes, I would," said the wife. "I'll spend my time buying new clothes."

"What? Go all the way to New York just for a few clothes? That's silly. You can buy everything you want right here at home."

"Oh, good," she cried. "That's just what I'd hoped you'd say."
