

It's The New Law

By - J. C. ROWE
Chief, Brevard Police

Editor's note: The 1970 North Carolina General Assembly made 24 changes in the state Criminal Statutes—wrote some new laws and changed old ones by addition or deletions. Since these laws affect the general public, Brevard's Chief of Police, J. C. Rowe, has collected the changes and THE TIMES is publishing them over the next several months as a public information service. The laws are here published as they appear in the General Statutes; no effort has been made to explain or interpret them. This is a function of the legal profession and the courts.
