Now you can tell good carpet value at a glance.
At Brevard Hardware & Carpet Shop

For years now people all over the country have been buying and enjoying trouble-free carpet of Acrilan (R) acrylic. From New York to California. From New Orleans to Nebraska. It's been sort of an odyssey, the way Acrilan has spread.

And now you can join the excitement at our showroom, where you'll find, at a glance, a splendid, new collection of specially priced carpets made with Acrilan. Just look for the Acri-

lan American Odyssey sign when you come in. Acrilan has never been better. It's warm and resilient. Has rich, clean, fade-resistant colors. Is easy to keep clean. Resists crushing, is very long wearing. And goes with any decor. Ask us for a free American Odyssey brochure and see for yourself how Acrilan carpets are being used throughout the country in all sorts of homes. You probably will agree that your home should be next, especially with this kind of value.
