Last Rites Held Saturday For W. M. Owen, 77

William McKinley Owen, age 77, of Pisgah Forest died, last Thursday in Transylvania Community Hospital. He was a retired farmer and a veteran of World War I. He was born in Jackson county but has resided in Transylvania county most of his life.

Survivors include the wife Julia Mae Owen; two step daughters, Mrs. Ethel Kilpatrick, of Brevard, and Mrs. Corlee Binford, of Homestead, Florida; two step sons, Arthur Riddle, of Lake Toxaway, and Oscar Riddle, of Brevard; two brothers, Sam Owen, of Balsam Grove, and Henson Owen of Edneyville; one sister, Mrs. Viny Shelton, of Brevard; 30 grandchildren; and 13 great-grandchildren.

Funeral services were held Saturday in the Shoal Creek Baptist church, and burial followed in the church cemetery. Rev. Bert Dotson and Rev. R. E. Moody officiated.

Pallbearers were James Deboard, Earl, Leonard, and L. C. Owen, Donald Kilpatrick and Edward Galloway

Frank Moody Funeral Home was in charge of arrangements.

When you think of prescriptions, think of VARNER'S. adv.

2. At sign-up time, the farmer can agree to set-aside an additional amount of acreage up to 10 per cent of his corn base. The USDA will accept this additional voluntary set-aside at sign-up time and will make set-aside payments for corn of 52 cents per bushel times the established farm yield on the additional voluntary set-aside acreage.

3. Also at sign-up time, the farmer may offer to set-aside still another 5 per cent or 10 per cent of his corn or grain sorghum base acreage. The secretary of agriculture will announce by mid-March whether to accept any of the additional acreage. This will give the secretary greater flexibility in reducing acreage to make the program most effective.

This year, deck the halls with a different kind of green. Start saving the U. S. Savings Bonds way.

1972 Feed Grain Program
The 1972 program raises the feed grain set-aside to 25 per cent of the base (20 per cent this year), boosts set-aside payments (40 cents per bushel for corn, from 32 cents this year), brings barley into the feed grain program, adjusts loan levels for grain sorghum and barley, extends farm stored grain resale provisions, and offers farmers two new options to set-aside additional acreage beyond the minimum qualifying 25 per cent

The Feed Grain Program will work this way:

1. During sign-up, starting January 17, a farmer can decide whether to set-aside a mini-
