Laugh Corner

At a luncheon party, an actress, noted for her sarcasm, looked significantly at a retired heroine who said: "I dread to think of life at 45."

"Why," replied the actress, "what happened then?"

A clock is something they have in an office so you can tell how late you wish you weren't in the morning, what time to go out for lunch and coffee breaks before and come back after, and how long before you can start stopping work by stalling until.

A fighter trying to save face after losing a fight: "Boy, did I have that guy worried in the third round."

Manager: "You sure did. He thought he killed you."

"It's lovely," said the blonde of her friend's engagement ring. "And isn't it nice to know that you aren't marrying a spendthrift?"

ward Davidson River Presbyterian Church at 7:30 p.m. All Council members and 4-H'ers are urged to attend.

DDC Part Of 4-H Automotive

The National Safety Council's Defensive Driving Course is to be offered in the national 4-H Automotive program. The joint announcement was made by E. Dean Vaughn, assistant administrator, 4-H Youth, ES., USDA, and Harold Hendreth, director of youth department, National Safety Council, following recommendations of the National 4-H Automotive Program Development Committee.

The 8-hour block of instructions for the DDC offers an opportunity for teen drivers to become more aware of problems facing them on the highway and helps prepare them to handle these situations.

This combination program can provide excellent short term 4-H involvement for youth

and may be a family venture with both youth and adults being taught in the same session. Possibilities are tremendous for reaching new 4-H audiences, says Vaughn.

What Is A Leader?

It has been said that a true leader is one who helps the groups achieve what he believes is important. A true leader:

1. Is sensitive to others. He understands the different needs of each 4-H'er and encourages him to fulfill his needs within the group.

2. Can help others define their goals and reach them. He has a clear idea of what the group can achieve, can help members set realistic goals and inspire them to plan and work

together to attain their objectives.

3. Shares responsibility with others. He helps club members share ideas and talents and assume leadership roles for which they are qualified.

4. Place greater value on "We Did It" than "I Did It." He helps each 4-H'er complete his job so that the entire club effort can succeed; then the leader steps aside while others receive the applause.

Leaders are made, not born, and 4-H offers you the opportunity to transform yourself into a creative, decisive, inspiring person others will want to follow.
