

Hunnicuttt Completes His Basic

Army Private First Class David L. Hunnicutt, son of Mr. and Mrs. William L. Hunnicutt, 104 Green Acres, Brevard, recently completed eight weeks of basic training at Ft. Jackson, S. C.

He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesies, military justice, first aid, and Army history and traditions.

His wife, Freda, lives on Route 3, Brevard.

FARM AND CITY WEEK — Here in Transylvania and across the nation this is Farm and City week. At the left is Mayor Charles Campbell signing the proclamation declaring the Farm and City Week in Brevard. Chairman Ben Burgess

and several civic and farm leaders have several activities planned for the local observance. The purpose of the event is to help create a better understanding between rural and urban people.

Rev. Runion Is New Pastor At The Grace Baptist Church

Reverend Donald Franklin Runion, Jr., former pastor of Bethel Baptist church, of Elizabethton, Kentucky, is the new pastor of Grace Baptist church. He will assume his duties on Sunday, November 21st.

REV. RUNION

Reverend Runion was born in Alexandria, Virginia, and received his B.A. degree from Baylor University and received his M.Div. degree from the Southern Baptist Seminary, Louisville, Kentucky. He has also pastored at the Tarvis Baptist church at Travis, Texas.

Reverend Runion is married to the former Hazel Anne Riherd, of Arkansas.

John Foxworthy To Address The Brevard Stamp Club

The Brevard Stamp Club will meet Thursday night, November 18th, at 7:45 o'clock in the evening at the First Citizens Bank & Trust Company in the Conference Room.

John Foxworthy, of Charlotte, Director at Large of American Philatelic Society, will address the club on various phases of stamp collecting. He will bring information relative to various stamps clubs and societies, and their benefits to individual collectors.

President Dean McEntire invites everyone interested in stamp collecting to attend, as they will be assured of a most interesting and informative meeting.

Laugh Corner

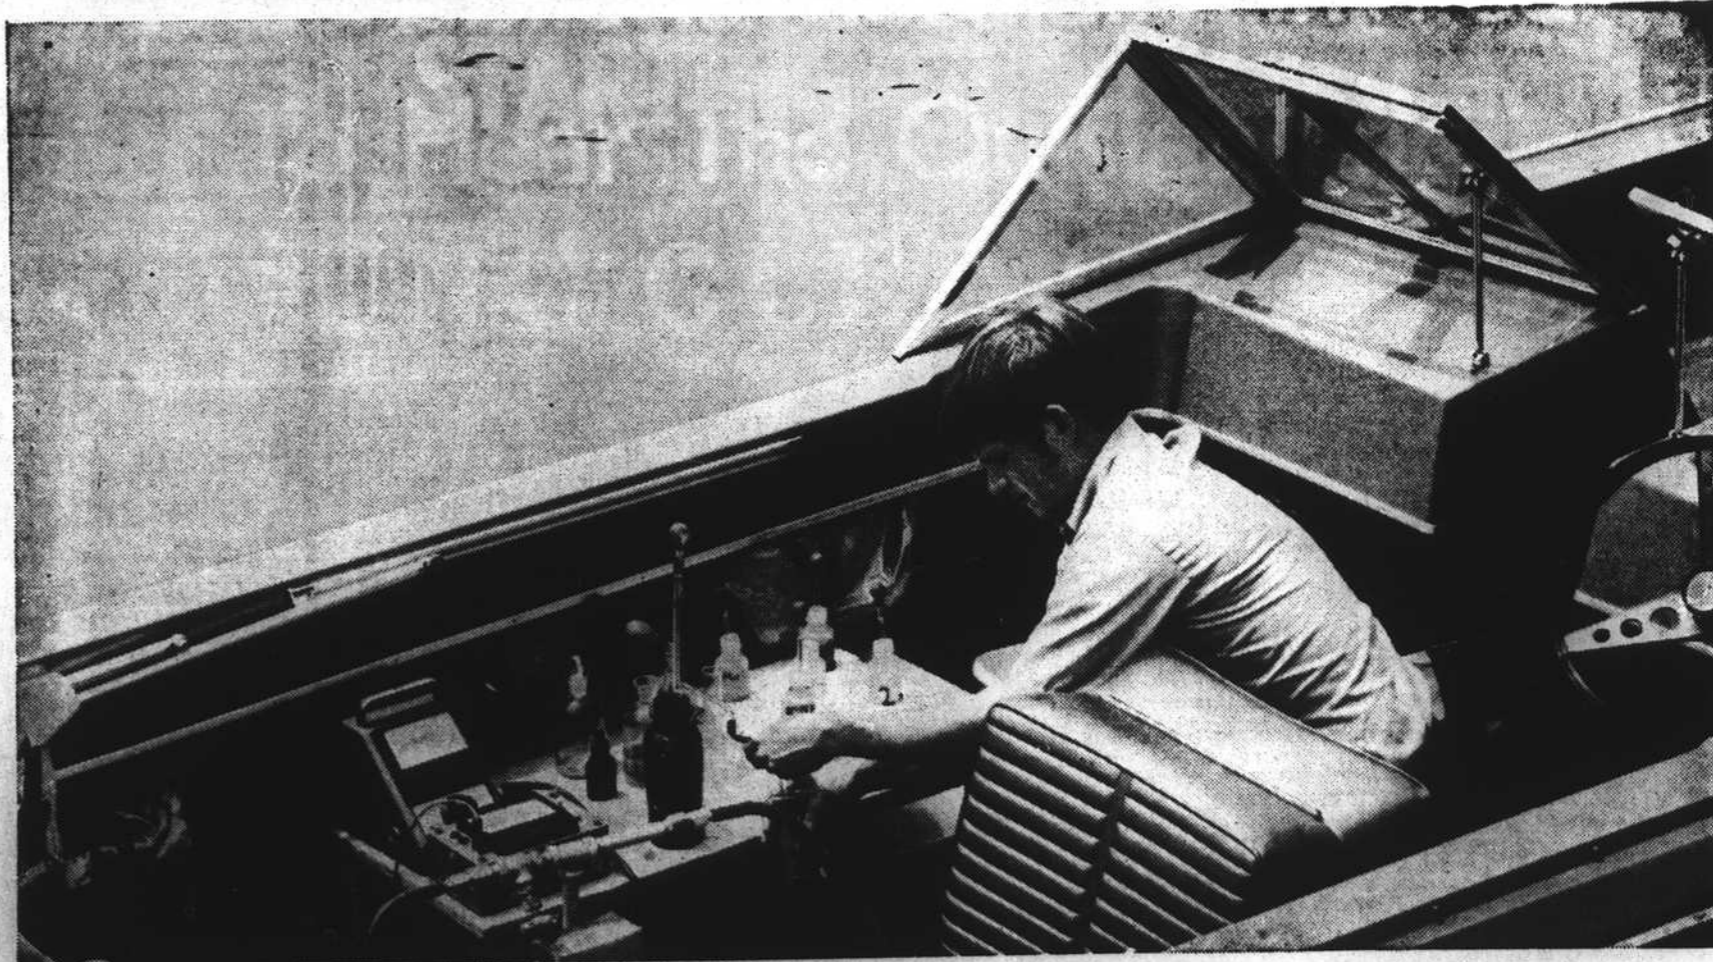

Suburbanite to friend: "I'm thinking of becoming a bigamist. There's just too much grass in my yard for one wife to cut"

Mrs.: "They look like a happily married couple, don't they?"

Mr.: "True. But you can't always go by looks. They probably say the same thing about us."

Let Us Do Your Job Printing The Transylvania Times

Bill Adair is a fisheries biologist.

He works for you.

Bill's main job is to make certain that fish in Duke Power's lakes are not harmed by the luke-warm water discharge from our steam electric generating stations.

The stations are designed so that the maximum temperature of discharged water is about the temperature of the human body. And this heat radiates rapidly to the atmosphere.

To check on the design and operations of the stations, we continually monitor temperatures and make biological studies of the water in our lakes.

So you'll find good fishing on Duke Power's lakes. Some of the best, in fact, is near our stations. And our scientists — like Bill Adair — are working closely with governmental and independent scientists to keep it that way.

It's just one of the many things we're doing to make this a better place to live.
