

# Little River Community Pleased Over Winning First In Contest

By - Mrs. George Hudgins  
**LITTLE RIVER** — Little River Community was a happy group of people last Saturday when they were named first place winners in Division C in the 1971 Western North Carolina Community Development Program contest at the 22nd annual awards luncheon in Asheville City Auditorium.

Those attending the luncheon were more than glad to bring back to those awaiting at home a plaque and \$400.00. This is the third time Little River has won since the beginning of the contest.

This is something that takes cooperation and the officers of the club would like to thank each and every one that helped to make this possible.

### Club Meets

The Little River Community Club will meet Thursday night, Dec. 16, at the community center beginning at 7:30. The President Morris Hawkins invites everyone to attend and bring the children. There will be a Christmas tree with goodies for the children and refreshments.

A Christmas pageant, "They Came Bearing Gifts," will be presented and everyone is asked to bring a gift of canned food, clothing, money or any thing that could be used for the Christmas House in Brevard. This is a worthwhile cause so come out and help us make Christmas happy for some less fortunate children in our county.

Family and friends gathered at the home of Mr. and Mrs. Edward Mackey Sunday for a birthday dinner for Mr. Edd Mackey who celebrated his birthday.

Those attending from homes out of the community were Mr. and Mrs. Duke Russell, Mrs. Pat Russell and son Richard from Clyde, Mrs. Marie Bryson, Mr. and Mrs. Rector from Canton, Mrs. Hattie Jones from Candler and Scott Rector from Blantyre.

Little River Baptist church has been very successful in raising money to buy a tractor for Broyhill Childrens Home, which was delivered recently.

Mr. and Mrs. George Hudgins, Mrs. Louise Raines Melinda and Bryan all attended the sixty fifth wedding anniversary celebration Sunday of Mr. Hudgin's parents, Mr. and Mrs. Ben Hudgins of Mill Springs which was held in Sunny View Community Center. Over a hundred people signed the register.

We are very glad to have Mr. and Mrs. Dale Blythe living in the community. They have bought the Will Farmer home. Mrs. Blythe will be remembered as Martha Sue Mackey.

Congratulations to Rhonie Fowler who made Dean's list at Asheville-Buncombe Technical Institute.

After selling his home, Will Farmer left Monday to make his home with his son Carl in Butler, Indiana.

Sherri Woody recently graduated from East Tennessee State University with honors.

Mr. and Mrs. Edward Hamilton from Overland Park, Kansas were guests last week of Mr. and Mrs. DonLee Merrill.

Tire chains are still the best means of preventing a skid. However adds Liberty Mutual Insurance Company, studded and regular snow tires also provide better traction than normal tires. No tire is skid-proof, though — so be careful.
