Brevard To Play West Henderson At College Gym Thursday

The Brevard High basketball teams will host West Henderson here in a triple-header Thursday evening at Bosharmer Gym on the Brevard College campus.

The games were switched to the college gym due to the fact that the high school gym's floors are currently being re-finished, and will not be ready

for play by game time Thursday.

The jayvee game will start Thursday at 5:00 p.m., followed by the girls game at 6:30 p.m. and the boys varsity game at 8:00 p.m.

Brevard's boys are currently standing at 4 wins and 2 losses on the year, and they hope to improve that Thursday against

Speed Reading Course To Be Offered At Brevard College

A speed reading course, designed to accelerate reading rates by refining information, is being offered at Brevard College on Tuesday evening, 7:00 to 9:30 p.m., from February 1st through March 7, 1972.

The course will be conducted by Dr. James Douglas Tyson, Visiting Professor of Special

Education at the college. Fee for the course is \$30, payable in advance at the first meeting on February 1st.

The class will be limited to 18 persons. Those interested are advised to contact the college immediately to insure a place in the class.

BREVARD'S DENNY GRIFFIN, all-star quarterback who led the Blue Devils to three outstanding football seasons, is pictured above signing a grant-in-aid to attend and play football for the University of North Carolina at Chapel Hill. One of the most highly sought high school grid prospects in the South, young Griffin cast his lot with the

Tar Heels on Christmas Eve. Coach Sandy Kinney of the UNC coaching staff was here for the signing, and expressed great pleasure when the event took place at Denny's home. Pictured above looking on as Denny, seated center, signs, are his parents, Mr. and Mrs. Bill Griffin, and his high school coach, Ed Emory, standing. (Times Staff Photo)

Denny Griffin Signs Grant-In-Aid With University Of North Carolina

Denny Griffin, Brevard High's versatile quarterback for the past three seasons, became the first member of the 1971 Blue Devil squad to sign a grant-in-aid this year as he signed with the University of North Carolina Tar Heels at his home on Christmas Eve.

"This is a real Christmas present for the University," stated Coach Sandy Kinney of UNC who was on hand for the signing. "And we are very pleased that Denny has decided to come to Chapel Hill. We can do nothing but predict a bright future for him there."

The tall toe-head, who has been simply outstanding throughout his entire high school career here, signed on Christmas Eve in the presence of his parents, Mr. and Mrs.

Bill Griffin of Poplar Street, his high school coach Ed Emory, Coach Kinney, and several interested UNC alumni, Dr. Carol Grahl and Dr. Jerry Cabe.

Young Griffin had been the starting quarterback for the Blue Devils for 28 consecutive games and had never missed a minute of action due to an injury during that time until he was struck down in the first quarter of the sixth game of this past season with a shoulder separation.

The shoulder was operated on and has healed beautifully, and Denny is currently in the process of leading Brevard's basketball team to another successful season.

The injury in the East Henderson game probably knocked

Denny out of all-state and other high honors, but he still played enough to be named all-conference and all WNC. During his playing time this past season, he had completed 30 of 49 passes for 544 yards and five touchdowns and had not been intercepted. He carried the ball 30 times for 273 yards and a 9.1 rushing average, and another three touchdowns.

Brevard's head coach Ed Emory called Denny "a super athlete." "I hate to think of losing him, but I'm mighty happy that he is going to UNC. The Tar Heels sure got a great one when they got Denny, and I know that he'll give them 100% plus effort, just as he has given me for the past three years. I wish him nothing but the best at Carolina," he concluded.

Darius Holtzclaw Signs Football Grant With Clemson University

Darius Holtzclaw became the second Blue Devil grid great to sign a grant-in-aid with an ACC school this year when he signed with Clemson University at his home Monday night.

The versatile two-way performer, who has been outstanding throughout a three-year career at Brevard High, signed with the Tigers as his parents, Mr. and Mrs. Elmer Holtzclaw of Penrose, looked on. Coach Ed Emory of Brevard High and Coach Tom Bass of Clemson were also present for the signing.

"We're delighted to get a fine young athlete like Darius Holtzclaw to come to Clemson, and I'm sure that he will have an outstanding career with us," Coach Bass commented. "I've been watching him play for three years, and he does it all well. We don't know just yet where we plan to play him, but he'll do a good job where ever it is," he concluded.

Young Holtzclaw, who stands 6'2" and weighs 190, was recently named to the All-WNC grid team for the second consecutive year and to the All-State team named by the Greensboro Daily News. He has been an all-conference performer for three years, and was also selected to play in this year's Shrine Bowl game in Charlotte, where he intercepted two passes and made numerous timely tackles from his defensive safety position.

As a tight end on offense, he has hauled in 93 passes over the past three years good for 1,871 yards and 17 touchdowns. He is also an outstand-

Bruce McLean Wins Silver Medal In Canada For Skiing

Bruce McLean captured a silver medal for his excellent time in the Slalom Ski Races at Mont Tremblant, which is located in the Province of Quebec, Canada.

McLean missed a gold medal by only 0.4 second.

Bruce was staying at Mont Tremblant Lodge for the week and was a member of the "expert" ski school class.

A "First" Locally

Unique Communion Service To Be Held At St. Timothy Church

The first Sunday of the New Year, January 2nd, will be observed at St. Timothy United Methodist church with a unique "covenant-Communion" Service at the 11:00 o'clock worship hour. It is used widely at the beginning of the New Year in the Churches of British Methodism and is patterned after the Service established by John Wesley in 1747.

Wesley believed that all

ing kicker, and punted for a 40 yard plus average during this past season.

"Darius Holtzclaw is an outstanding athlete, and I know he'll do a fine job for the Clemson Tigers," Coach Ed Emory stated. "I wish him the best of luck at Clemson, and I predict an outstanding career for him there," he concluded.

Christians should begin the New Year with a renewed covenant of faith and love for God. He began this among the Methodist Societies on New Year's Day, 1747, and the Service, combined with the Lord's Supper or Holy Communion, has been followed across the years among British Methodists, with only slight changes. It is believed this is the first time the Wesley "Covenant-Communion" Service has been used in this part of Western North Carolina, so it will be a "first" for Transylvania County Methodism.

The pastor, Merle N. Young, urgently invites all members of St. Timothy Church and friends in the community to participate in this unusual and deeply spiritual Service.

Program Highlights

WPNF Will Carry Top Stories Of 1971 On New Year's Day, 1:30

WPNF Radio will carry the top stories of the year from 1:30 until 2:30 Saturday afternoon.

This outstanding program has been prepared by the Associated Press, and John L. Anderson, the Executive Director, urges all listeners to tune in at that time.

Internationally, Red China was the big news of 1971. First, chronologically was the visit to that country by the U. S. table tennis team. Insignificant as it seems, this event possibly opened new avenues to discussions with Peking resulting in Red China's admission to the United Nations and President Nixon's announced trip to confer with Red Chinese leaders.

1971 saw national and international concern over the President's wage-price-rent freeze and important surcharge as a means of stabilizing the economy. Other top stories of the year past that shocked the world include the Pentagon Papers and the resulting fight over their publication and the conviction of Lieutenant William L. Calley, Jr., as the only officer punished for alleged atrocities at My Lai in 1968.

The United States pressed ahead in the space program with the successful moon landings of Apollo 14 and 15 while here on the own planet Americans saw dissent, revolution and mob violence as is illustrated by the violence and rebellion at Attica Prison where 43 lives were lost.

The war in Vietnam was given prominent places in every newscast as it appeared to be

in some de-escalation with periodic announcements of troop withdrawals. There was not only turmoil on the battlefields in South East Asia, but in the political election of President Nguyen Van Thieu as the unopposed candidate.

Back at home, rival factions were warring over the school busing issue and other problems.

A giant earthquake in California claimed more than 60 lives plus devastating hurricanes and tornadoes.

The nation's Congress had a busy year with many conflicts on matters of vital concern to all Americans and much of the world. One of the most striking actions of that body was the Senate's voting down of the Nixon administration's foreign aid authorization bill.

As the year comes to an end, Americans look back with much regret to the war in South East Asia, fighting between Arabs and Israelites and the outbreak of fighting in India plus bitter words and violence at home. But all can look ahead to 1972 with a hope of contentment at home and peace around the world.

Speaking this week on Morn-

ing Devotions is Rev. Albert Bishop, pastor of the Mt. Moriah-Calvert Baptist church.

The Sunday morning church service will be broadcast through the remote facilities of WPNF from the Morningside Baptist church. Rev. William Searcy is pastor.

Stores Close, Offices Have Holiday Monday

(Continued from Page One)

There will be no delivery of regular mail on city or rural routes. Special delivery service will be maintained. Holiday receipt and dispatch of mail will be maintained.

Schools Open Monday

Schools will reopen on Monday after being closed since December 22nd for the Christmas and New Year holidays. Brevard College also resumes classes next Monday.

While The Times office will close Friday afternoon, the staff will cover the news sources and local news will be reported over WPNF at 6:00 o'clock that evening.

Persons with special items should call 883-3511.
