

1,000 Accidents Expected In State Over New Year's Weekend

As Father Time boots a worn-out 1971 down the drain and hopefully welcomes the infant 1972, the N. C. STATE Motor Club calls on all motorists to start out the New Year by dodging the 1,000 traffic accidents which it

estimates could cost 19 lives and injure over 500 other persons on North Carolina's streets and highways during the long weekend.

The state will count its holiday highway toll from

6 p. m. Thursday, Dec. 30th, through midnight Sunday, Jan. 2nd, for a period of 78 hours. In the same period last year, the casualty count was 29 killed and 469 injured in 1,141 accidents.

Leading causes of accidents were speeding, driving left of center, failure to yield, making unsafe movement and driving under the influence.

"Let's start the New Year

off right by holding traffic deaths to the minimum on this first holiday weekend of 1972," Thomas B. Watkins, president of the motor club and the National Automobile Association, urged.

"It could be the best year of your life. Don't risk it in careless driving on the highways!"

When you think of prescriptions, think of VARNER'S. adv.
