Beautyrest mattresses, there's one right for you. Because everyone has a different idea of just how firm a mattress should be, we now make Beautyrest mattresses in four different firmnesses. Besides Normal Firm, there are three Back Care models: Extra Firm, Extra Firm Plus, and Super Firm. But because firmness alone can't support you properly, every Beautyrest is also flexible. Separate coils conform to your shape, so a Beautyrest can give you more support, more comfortably, than any other firm mattress. Come in and try all four Beautyrest firmnesses.
