Festival Gospel Sing To Feature Many Well Known Religious Singing Groups

Rundlett To Be Heard At St. Andrews By-The Lake

Brewster Rundlett, outstanding lay preacher, and lay reader, will be heard at St. Andrews by-the-Lake at Lake Toraway on Sunday morning, July 22nd, at 11:00 o'clock.

Mr. Rundlett has served in the Diocese of South Florida and the Diocese of Atlanta.

Bruce, as he prefers to be called, is a graduate of Bowdoin College. He attended the Institute of Human Relations at Yale.

Along with his wife, Prudence, he has recently taken up residence at Lake Toxaway to enjoy retirement.

Mr. Rundlett was associated with the Coca-Cola company for more than 32 years and was Vice President of its Minute Maid division.

St. Andrews by-the-Lake has Sunday morning worship services throughout the summer months, and the public is cordially invited to attend.

It is located on Highway 281, just a short distance from Highway 64. Situated on a lovely, wooded hill, the chapel provides a picturesque setting for prayer and worship.

A Gospel Sing featuring many well known religious singing groups, will be one of several highlight activities of the week-long Brevard Festival of the Arts.

It will be held at the Brevard Senior High School auditorium beginning at 8:00 p. m., July 24th.

Among the groups to be heard will be The Leona Owen Singers of Brevard, The Revelation Quartet of Cashiers, The Happy Travelers of Canton, the Britt Family of Bre-

vard, The Times Quartet of Asheville, the Gospel Melodies of Brevard, and the Dotson - McLarty duet of Brevard.

Admittance is free. Various groups will sell records and music at the singing.

Population

If the present rate of population growth continues for 100 years, the earth will contain 50 billion humans, or 1,000 per square mile over every inch of land, including all mountains, deserts and both polar ice caps.
