

"Time To Run" Premiere Is Slated In Brevard, November

Brevard has been selected for a limited engagement during November for the premiere of the motion picture "Time To Run". World Wide Pictures, the producers of the film, announced the appointment of Ralph D. Breedlove as Executive Chairman for the Brevard area showings. Breedlove is enlisting the support of numerous civic leaders and other residents to formulate plans for the premiere.

According to Mr. Breedlove, "Time To Run" is a new fea-

ture-length color release from the Billy Graham Film Ministry studios. He said he believes "the film will have an immeasurable positive impact on the lives of both teen-agers and their parents in our community," and added that, "if Brevard residents planned to see only one motion picture all year, this is the one they should see."

A representative of World Wide Pictures, Larry Carmichael, will be working closely with Breedlove and the commit-

tee in preparation for the showings. Carmichael offered this description of the film: "Time To Run is a realistic and deeply moving portrayal of the tensions created in a family where

the son's values and ideologies differ from his father's. Love and communication are crippled by the impenetrable silence between them. Further confrontations develop between the

young man and his girl friend when she becomes involved in the 'Jesus Movement.' The viewer encounters moments of humor, suspense and warmth throughout the film."

Mr. Breedlove, who lives on Route 3, Morgan Heights, is associated with the Wesleyan Church. In preparation for the premiere, he attended a special two-day seminar.

"Interest Of People" Is Richard M. Haney's Concern

RICHARD M. HANEY

"Brevard is growing rapidly. It is more important now than ever before that we have leaders who we can trust and who have only the interest of the community at heart. I do not own a business nor do I have any business interest in Brevard that would prove to be a conflict of interest in my making decisions that would effect your lives as a member of the Board of Alderman," States Richard H. Haney who is seeking his first term as a member of the Board of Alderman.

"As citizens we have many tax burdens. I would be the first to support any justified tax cuts. We all want a dollars worth of service for a dollars worth of taxes, but at the same time we must remember that existing services have to be maintained and up-graded if we are to preserve the quality of life in our community."

"People are Brevards Big business and it is important that your representatives on the Board of Alderman understand their needs and honestly represent only their interests. We must continue to keep the City Council meetings open and let the people know what's going on and how their tax dollars are being spent."

"I am concerned for the future of Brevard. In the seven years I have lived here and been employed as Industrial Engineering Manager at American Thread I have been active in Brevard civic affairs. I was a member of the Jay-ees and at the present time I am first Vice - President of the Brevard Lions Club. I have also worked with the youth of our community as an advisor in the Transylvania County Junior Achievement Program."

"Brevard is my home. I live with my wife and two daughters at 325 Probart St. I honestly believe I can be of service to my community by serving as a member of the Board of Alderman."

to lift 100 lbs. \$1.90 hour.

Grocery shelf stocker. 6 mos. experience required and able to lift 100 lbs. \$2.70 hr.
