

# First State Savings, Loan To Open Here In Mid-April

JAMES C. GAITHER  
President

A. STEVE COCHRAN  
Vice President

The new State Savings and Loan Association in Brevard will open in mid-April and the Grand Opening is slated for May 4th.

The name of the Association is First State Savings and Loan Association, and it will be located in the Brevard College Shopping Center.

The name was first announced as Western North Carolina Savings and Loan Association, but since the name conflicted somewhat with the new bank in Asheville, the Western Carolina Bank and Trust Company, the local Board of Directors voted to change the name to First State Savings and Loan Association.

The charter for the new First State Savings and Loan Association here has been approved in Raleigh, and it has been filed here in the Court House.

Also, Depositors Insurance (up to \$20,000 per account) was approved by the North Carolina Savings Guaranty Corporation at their meeting last Thursday in Raleigh.

James C. Gaither, prominent real estate and insurance executive and owner of Gaither's, is the President of the First State Savings and Loan Association.

Steve Cochran, well-known local contractor, is the Vice-President.

John I. Anderson, Editor and General Manager of The Transylvania Times and Executive Director of Radio Station W P N F, is the Secretary.

William L. "Bill" Scarborough, retired Du Pont Executive, is the treasurer.

Other members of the Board of Directors are as follows: Charles L. "Chuck" Bradley, W. Dan Hawkins, R. Darrell Hooper, Harvey R. McConnell, Henry C. McDonald, Thomas K. McCrary and Paul Owenby, Jr.

William Arnold "Bill" Case, of the Farmers Home Administration in Transylvania and Henderson counties, has been employed by the Board of Directors as Managing Officer of the First State Savings and Loan Association of Brevard.

Mr. Case has been responsible for loans to farmers in Transylvania county through the FHA since 1968. At that time, outstanding indebtedness was \$300,000. Today it is \$4,500,000.

Mr. Case is a native Transylvanian, and his wife, the former Freda Jean Boley, is connected with the ASCS in Brevard.

President Gaither says there is a dire need for additional mortgage money in Brevard and Transylvania county, and the First State Savings and Loan Association expects to greatly serve this need.

"Our industries are expanding and more and more people are coming into this area to live," Mr. Gaither declared.

"For the home builder, the First State Savings and Loan Association will be a good neighbor to know," he continued.

For the investor, First State Savings and Loan Association will also be a good neighbor to know, since dividends will be the maximum amount as allowed by law.
