Sheriff Hubbard Big Winner In Demo Primary, Morris, Cabe Win

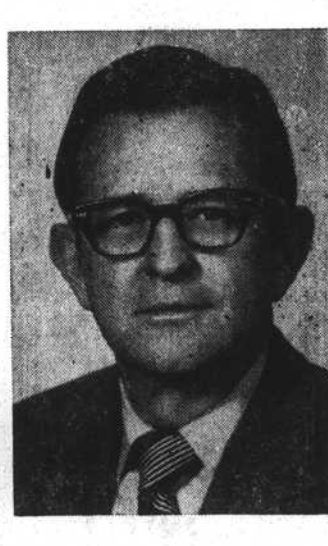

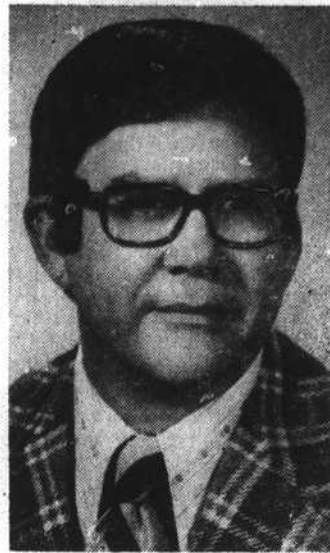

Student Leaders Are Elected At Brevard High

Student Body Officer elections for the 1974-75 school year were held on Wednesday, May 1st, at Brevard High School.

Eddie Fanning was elected President. He is currently Vice-President of the Junior Class, President of Stedanco Junior Achievement Company and a letterman in track and cross-country. He is also a Life Scout in Troop 701 and has attended Philmont Scout Ranch.

Mark Hooper was elected Vice-President. He is a Sophomore. Mark is an Honor Roll student, a member of the Key Club and participates in football, basketball and tennis.

Jonlayn Johnstone and Jimmy Perkins were elected Secretary and Treasurer, respectively. Both are Freshmen, members of Student Council, and both attended the Western District Association of Student Councils Convention in Rutherfordton, N. C. in April.

Cecil Hill Is High Man In Senate Race

With a light voter turnout as expected, Transylvania Democrats gave a big vote of confidence to incumbent Sheriff Milford C. Hubbard in Tuesday's primary election here.

Sheriff Hubbard, who will now face Republican John J. Brown in next November's General Election, was the high man in all local contests Tuesday as he polled 2,179 votes to defeat Democratic challenger William Edward Kitchin, who received 98 votes unofficially from 18 Transylvania precincts.

Local Democrats also gave Eugene M. Morris, present chairman of the Transylvania County Board of Education, a chance to retain his seat on Board next November, even though he was not high man in the five man race for the two available seats.

That honor went to local dentist Dr. Jerry Cabe, who polled 1,444 votes to 1,179 for Mr. Morris, giving them the number one and two spots on the ticket.

Dr. Cabe and Mr. Morris will now face Republicans Betty A. McGuire and Gerald Deaver in the November Election.

Other results in the Board of Education race were: Dr. Marius H. Wells, 910 votes; Bill P. Norris, 571; and Edward E. Killian, Sr., 247.

In other races of local interest, local attorney Cecil J. Hill was apparently successful in his bid to receive the Democratic nomination for State Senator of the 27th District, both locally and across the 10-county district.

In Transylvania, Mr. Hill was second high vote getter behind Sheriff Hubbard as he polled 1,916 votes, more than twice as many as his next opponent, Joe Palmer, who had 726. Frank Coffey was third here with 685 votes, followed by William Swanner with 256.

As the Times went to press Wednesday, nine of the 10 counties in the 27th District had reported, with only small Clay County still to be heard from. Those totals showed Mr. Hill with an almost insurmountable lead with 13,566 votes to Palmer's 10,941. Coffey was third with 7,410 votes.

35th Anniversary

Olin Will Hold Four-Day "Open House" Next Week

The four-day period of the 15th through the 18th of this month will be an occasion in Transylvania, one that might rightly be reserved by county residents to attend the Open House of a neighbor—a good neighbor that provides an annual payroll of \$25 million.

The good neighbor is Olin; the occasion is the 35th Anniversary of the opening of the Ecusta Paper Corporation plant (now a part of the Olin Matheson Corporation) in 1939.

Planned as an outstanding example of good industry-community relations, the Open House will consist of an initial Welcome, Product Displays, bus tours around the plant area, and stops for foot tours of the Film Division, the Research Laboratories, and the Paper Division.

The tours will be conducted continuously on May 15th, 16th, 17th and 18th, from 10:00 a.m. to 2:00 p.m., and from 5:00 p.m. to 8:00 p.m.

Refreshments will be served in the Welcome Center and will be available at a rest stop during the walking tours.

Olin employees, their families, guests and the public in general are invited.

Because of the walks through the various parts of the operating plants, the minimum age for children on the tours is six years. Younger children may, however, be left in a day care

facility which will be available.

"We would like to recommend," says Public Relations Manager Nelson Warner, "that visitors planning to take the foot tours through the plants, wear comfortable walking shoes. And for further comfort we suggest pant suits for the ladies."

Visitors on all four days are asked to approach the plant southward on Vanderbilt Road,

from the turnoff on U.S. 64. Overhead banners will be in place to direct them to visitor parking and the Welcome Center, which will be a large tent at the north end of the plant. From there, guides will conduct the tours.

Those interested only in a general outdoor ride around the plants will be allowed to remain on the bus and return to the Welcome center. Visit—Turn to Page Six

Brevard temperatures averaged 71 and 48 during the past week, with nearly one and a half inches of rainfall also during the period.

Highest temperature reading came on Friday afternoon with a reading of 83 degrees, while the lowest reading was 34 on Tuesday morning.

North Carolina extended outlook for Thursday through Saturday: chance of rain Thursday, ending Friday and becoming fair Saturday. Unseasonably cool temperatures. Lows at night upper 40s to low 50s. Highs in the 60s in the mountains.

Reports Made

Annual Red Cross Chapter Meeting Held, Busy Year

Echels Galloway was honored posthumously by the Transylvania County Chapter of the American Red Cross at its recent annual meeting.

Susan Galloway, daughter of Mrs. Galloway and the late Mr. Galloway of Brevard, was presented a special Red Cross Medal honoring her father for his First Aid and Life Saving services by the Chapter Chairman, Fritz J. Merrell. J. C. Rowe and Ron Byrd, officials of the Rescue Squad, were present for the awards ceremony.

Mr. Galloway was a long-time member of the Brevard Rescue Squad, and was an em-

ployee of the Transylvania County Ambulance Services at the time of his death.

He was very active in civic affairs and a dedicated citizen of Transylvania County who loved his fellowman and his home and his talents naturally to make life more meaningful for those who were touched by his life, Mr. Merrell said.

He spent long hours teaching First Aid to many Transylvanians so that by his efforts lives can be saved and suffering reduced because he cared enough to serve, he continued.

Prior to the ceremony honoring Mr. Galloway, the annual business meeting of the Chapter was held. Many impressive reports were given and service awards were presented.

Mrs. Marie Brewer reported that Red Cross Volunteer Workers contributed 689 hours of service last year. Mr. Byrd reported on the First Aid Courses and Water Safety program: certificates for First Aid Instructors — 12; Standard First Aid certificates — 152; Advanced First Aid certificates — 17; and Multi-Media certificates — 130.

Mr. Byrd reported the Transylvania Chapter services 15 different summer camps for swimming, water safety supplies and equipment. A total of 1,745 certificates were issued last year; 140 beginners, 305 advanced beginners, 507 intermediates, 300 swimmers, 97 advanced swimmers, 230 Junior Life Savers, 123 Senior Life Savers, and five Water Safety Instructors.

Admiral Ligon Ard reported the Chapter had been assessed

Demo Women Staging Rally

The Democratic Women in Transylvania county are sponsoring a big Democratic Rally at the Union Hall on Morris Road in Pisgah Forest next Tuesday night, May 14th, at 7:30 o'clock.

The leaders of the Demo women say that "we should all join together in the common goal which is seeing that our democratic candidates are elected in the fall".

They urge that all Democrats forget the Primary and band together to elect their candidates.

May Meeting Busy

Brevard Aldermen Take More Action Regarding Airstrip

The much discussed airport in Brevard at the City limits on the Greenville highway came up for more discussion at the May meeting of the Board of Aldermen Monday night in the Municipal building.

Attorney Cecil J. Hill spoke on behalf of a large group attending, and a transcript of his remarks are on file at the City Hall.

After the discussion, the Aldermen voted that possible violation of the City's Zoning Ordinance by John F. Ritter, owner of the airport, be referred to the City's attorney

in the matter, James N. Golding, for his opinion.

In the event that he finds possible violation, he is instructed by the Board to take all necessary steps, including legal action, to bring the property in conformity with the Zoning Ordinances of the City of Brevard.

The order further states: that all Aldermen, the Mayor, the City Clerk, the City Manager and all employees of the City of Brevard be instructed to cooperate fully with Mr. Golding in his investigation and all interested citizens affected by the City of Brevard's Zoning Ordinance be invited to submit in writing to the City Clerk, any evidence of possible violation of the Zoning Ordinance; that Mr. and Mrs. Ritter be notified of the action taken by this Board immediately and requested to cease and desist from further construction at this time; that Mr. Ritter be legally restrained if he does not voluntarily desist; that Mr. Golding be instructed to restrain any further construction until this matter has been determined by the courts, if in his opinion a possible violation of the City of Brevard's Zoning Ordinance exists.

Charles Dunlop appeared before the Board and requested that the Residential Sections in the following Housing Authority areas be designated as follows:

(A) Whitnair and Palmer

Street area as Beech Crest Manor

(B) Hillview and Probart Streets area as Balsam Crest Manor

(C) Morgan and Oakdale Area as Cedar Crest Manor

Upon motion of Alderman W. M. Melton, seconded by Alderman Cornelius Hunt and unanimously passed, Mr. Dunlop's request was approved and said areas were dedicated as names

\$290,000 Allocated

Work Is Approved On Several Road Projects In Transylvania

Several secondary road projects, approved by the North Carolina Department of Transportation for Transylvania county, were announced last week in Raleigh.

The work will be done with allocations made for the fiscal year 1974, according to the news release.

The projects are subject to review by the Transylvania County Board of Commissioners.

These projects, totaling \$290,000, are only a part of Transylvania's secondary road projects for 1973-74. The county's total

allocation for the year was \$290,000.

Work approved for Transylvania will include:

SR 1144, Paul McCov Road, 0.90 mile, from US 64 to DE—stabilize, costing \$4,500.

SR 1303, Breedlove Road, 0.70 mile, from NC 281 to DE—stabilize, costing \$3,500.

SR 1332, J. L. Whitnair Road, 0.80 mile, from US 64 to DE—stabilize, costing \$4,000.

SR 1339, Glen Curry Road, 0.60 mile, from US 64 to DE—stabilize, costing \$4,000.
