

PISGAH FOREST LIONS recently completed their Spring fund raising drive and awarded three big prizes to the winners. Pictured above with their awards are the winners with two officials of the sponsoring Pisgah Forest Lions Club. They are, left to right; Lion Boyce Gillespie;

second place winner Keith Keener, who won the small portable TV set; David Ladd, who won the power mower for third prize; Lion Bill Knisley; and Grand Prize winner Margaret Johnson, who won the color TV. (Times Staff Photo)

Pisgah Forest Lions Club Completes Two Campaigns

The Pisgah Forest Lions held their regular dinner meeting on Tuesday May 14th.

Lion John Wylie, Broom Sale Co-Chairman, announced that approximately \$1000 worth of brooms, mops and ironing board covers had been sold by Pisgah Forest Lions.

Club President Jack Wyatt then drew the winning tickets from the club's spring fund raising drive. First, second and third prizes respectively were won by Miss Margaret Johnson, Keith Keener and David Ladd. Lion Bill Knisley, Project Chairman, stated that 2000 contributions had been collected by club members.

Club President Jack Wyatt congratulated Mr. Knisley, who had collected \$600, Lions Dave Butler and Boyce Gillespie, each credited with collecting approximately \$250, and the other Pisgah Forest Lions who had participated in the drive.

Lion Wyatt expressed the club's appreciation to the citizens of the community for their contributions. The proceeds from the drive, Lion Wyatt said, will be used to aid visually handicapped and other needy individuals in the community.

Don M. Cox, Driver Education Representative, State De-

partment of Transportation, Division of Motor Vehicles and Highway Safety, presented the program.

partment of Transportation, Division of Motor Vehicles and Highway Safety, presented the program.

Concerned with both student and adult driver education, Mr. Cox stated that drivers under twenty-four are involved in 45% of vehicle accidents.

However, statistics show that drivers of any age are more accident-prone if they drink or smoke, if they use drugs—even some cold remedies—before driving, if they use driving as a means of releasing emotion, or if their parents were poor

drivers. Driver education, available to North Carolina high school students, is not a cureall for the state's traffic problems, Mr. Cox said. It may be years before student driver education results in fewer highway accidents.

A driver re-education course, Defensive Driving, is offered by the State to groups free of charge. Drivers who have accumulated seven points may have three points removed by successful completion of the course.

8-Crafters Shop Will Open On Greenville Highway, 1st

The 8-Crafters Shop will open for its seventh season on Saturday, June 1st. The Shop is located at "See Shore", eight miles out on the Greenville Highway. The building which houses the 8-Crafters is a quaint eight-sided structure which was built in the 1930's by Mrs. Mary Jane McCrary's family and was originally used as a tea room.

The rustic structure with a high stone fireplace lends itself well to the display of handmade crafts. Daily hours for

the shop will be 10:00 a. m. to 5:00 p. m., Monday through Saturday.

The group of contributing craftsmen continues to expand and this year the Standards Committee has accepted crafts from five new persons.

Mrs. Elaine Mitchell will be making macrame hangings for potted plants.

Mrs. Frances Walker does crocheting of all-wood throws. She uses several color schemes and patterns in these throws.

R. S. Maxwell has submitted hand carved and painted birds. They are mounted on wire suspended from driftwood to give the illusion of flight.

Mrs. Judy Hittel is making hand-thrown pottery and pottery wall plaques. The wall plaques have designs of wild flowers and grasses pressed in to them.

Mrs. J. Jay Joannides will be submitting hand-painted greeting cards and uniquely letter wall plaques.

The 8-Crafters continually seek additions to their established line of crafts. Any person interested in becoming a contributing member of the 8-Crafters is asked to contact Dottie Vaniman (883-9821) for details.

Maud Freeman, President, states:

"We look forward to our seventh season. We are grateful to our customers who have made the previous years such successful ones for us and will be happy to greet old and new friends this year."

Miss Smart Awarded Degree Sunday At Converse College

Miss Patricia L. Smart, daughter of Mr. and Mrs. A. M. Smart, of Brevard, was among nearly 180 candidates for degrees awarded at the annual graduation exercises at Converse College last Sunday.

Patricia was active on the Converse campus as a mem-

ber of Delta Omicron. Also participated in many other activities on campus.

Converse is a four-year independent liberal arts college for women with a professional school of music. It is completing its 84th academic session this month.

Forest Service To Hold Hearing Here On June 18

Del Thorsen, Supervisor of the National Forests in North Carolina, announces today that a draft Environmental Statement Plan have been prepared for the North and West Forks French Broad River and Davidson River Units in Transylvania County.

A public meeting is to be held at 7:30 p. m., June 18th, in Brevard, in the Court House.
