Dawson Hogsed Nominated, Outstanding As Teacher

Dawson H. Hogsed, a native of Transylvania county, has taught at Pisgah Forest Elementary School for the past three years. For the last two years, he has served as a Team Leader in grades five and six at Pisgah Forest in the Teacher Corps Program coordinated by Western Carolina University.

Mr. Hogsed has earned his Masters degree in Middle Grade Education and is currently working on a sixth year program in Supervision and Administration.

Mr. Hogsed is the son of Mr. and Mrs. Harold R. Hogsed, of Route 2, Brevard. He is married to Carol Hogsed who is also employed with the Transylvania County Schools. They reside at Route 1, Pisgah Forest. Mr. Hogsed has been chosen as an Outstanding Elementary Teacher of America for 1974. Nominated by his principal earlier this year, he was selected for this honor on the basis of his professional and civic achievements.

Outstanding Elementary Teachers of America is an annual awards program honoring distinguished men and women for their exceptional services, achievements and leadership in the field of elementary education. Each year, the biographies of those honored are featured in the awards volume, OUTSTANDING ELEMENTARY TEACHERS OF AMERICA.

These educators are now eligible to receive the Outstanding Elementary Teacher of the Year award trophy. Five \$500.00 unrestricted grants will be awarded to the schools represented by America's five Outstanding Elementary Teachers. Distinguished judges, along with the Board of Advisors, will select the five individual elementary teachers to be honored. In this way, the program thanks the teacher and the school for their contributions to the continuing excellence of American education.

In announcing the award winners to the administrators, Dr. V. Gilbert Beers, Director of the Outstanding Elementary Teachers of America program, stated:

"The men and women chosen for this high honor have explored new paths, developed new insights and effectively communicated their knowledge to their students and colleagues. They are exceptional teachers."

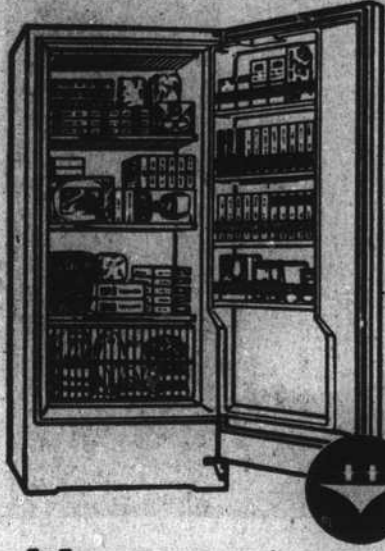

Guidelines for selection include an educator's talents in the classroom, contributions to research, administrative abilities, civic service, and professional recognition.
