### Methodist Kindergarten Has Openings

A few places are still available in the four and five-year old groups at the First United Methodist Weekday Kindergarten.

Class size (15-17) permits individual attention. For fives the hours are 9-11:45 Monday through Friday; the fours meet three days a week.

The kindergarten is state accredited and provides a variety of learning experiences: readiness activities, art, music under the direction of Mrs. Jane Chester, supervised outdoor play, field trips, etc.

For information or applications, call the Church Office, 883-9025, or, after hours, Mrs. John Devereux, Director, 877-4723.

### Forest Land

One - third of the area of the U. S. is forested. The total acreage of forest land has not changed greatly in several decades. While some lands have been cleared of trees for farming and development, other lands have been planted to trees to offset the loss.
