Democrats' 11th District Convention Will Be Held In Transylvania On Saturday, 20th

Cecil Hill To Be Welcome Speaker

The Democratic 11th Congressional District Convention will be held in the Transylvania Court House on Saturday, July 20th. It will be the first time the convention has been held in Transylvania County.

About 300 delegates from 17 Western North Carolina counties — Avery to Cherokee—are expected. The Transylvania Democratic Executive Committee, Mrs. Molly Wilmot, Chairman, is the host for the occasion.

The convention will begin at 1:00 p.m. in the county Court Room.

State Representative Liston Ramsey of Madison County, is the General Chairman. Cecil Hill, Brevard attorney and candidate for the State Senate in the 27th Senatorial District, is the Arrangements Chairman, and will deliver the welcome address.

The program will consist of an invocation, the Pledge of Allegiance by State Representative Claude DeBruhl of Candler, 43rd House District; an address by Glenn Brown of Haywood County, former Solicitor for the 30th state Solicitorial District of WNC; and a business meeting at which a new Convention Chairman will be elected for the next two years and delegates will be elected for the Democrat National Mid-convention to be held at Kansas City in December.

Commenting on Wednesday before the convention, Mr. Hill said:

"This is the first time the District Convention has been held in Transylvania County, and I consider it a signal honor to the county and Transylvania Democrats.

"I know I join with all the other small counties in North Carolina, when I commend Liston Ramsey for rotating this meeting place in order that more people in the counties of the District may be represented in the actual convention deliberations."

Planning Board Meets Monday

Transylvania County Planning Board will hold its regular meeting Monday morning, July 22nd, at 7:30 at the Court House.

The public is welcome.

New Hours Announced For The Davidson River Dump

Effective now, State Law required all solid waste disposal sites to be operated according to plans approved by the N. C. Division of Health Services. These plans are approved for Sanitary Landfills, which Davidson River Dump is not. Therefore, the Dump is being phased out, but until a new site for the operation of a Sanitary Landfill is prepared, Davidson River Dump must continue to operate. During this interim period Davidson River Dump will be maintained as close to State requirements as possible. This will involve several changes in what once were considered normal operating procedures. These changes will take place beginning July 15, 1974:

1. The hours of operation will be from 8:00 a.m. to 5:00 p.m. daily from Monday thru Saturday.
2. No after hour dumping for anyone other than contract haulers.

3. Access to the Dump will be limited during operating hours to only contract haulers.
4. Household garbage may still be brought to the Dump and deposited in containers outside the gate except Saturday from 5:00 p.m. to Monday morning 8:00 a.m. **THE DUMP AND GREEN BOXES ARE CLOSED ALL DAY SUNDAY.**

5. A County Deputy will be on duty to see that garbage is properly handled, and put in the green boxes.

6. Large items (stoves, refrigerators, etc.) should be taken to C. Perry Merrill's Am. Automotive and Salvage, Vanderbilt Road, Pisgah Forest, N.C. Phone: 883-2040.

A Missionary Work Team of 12 young people from North Carolina has returned after a month of manual labor on a hospital construction project in Costa Rica, with a lasting impression of the openness and friendliness of the Costa Rican people.

Largely Methodists — members of the Brevard First Methodist Church or associate members through attendance at Brevard College — the young people were part of a Work Mission to the Hospital of San Carlos in Ciudad Quesada, Costa Rica.

Working from June 4th through July 2nd, the group assisted in tearing down an old children's wing of the hospital and landscaping and cleaning up around a recently completed new wing.

The team, under the auspices of the Brevard First Methodist, consisted of the Counselors, the Rev. and Mrs. Duke Ison from the Rosman United Methodist Church; John Boggs, Teresa Ratliff, Lisa Bingham, Tim Johnson, Jim Ladd, and Linda Hill from Brevard; Mark Key from Asheville; Ann Ralls from Greensboro; Pam Lester from Archdale; and Marsha McCreeary from Lexington.

HELP, FELLOWSHIP

"The idea of Work Missions, in which the members largely bear their own expenses, is a comparatively new thing in the Methodist Church," says Mr. Ison. "But it is one which Dr. Tuttle, the Brevard First Methodist pastor, has initiated in several churches where he has served."

"The purpose is to give experience in Christianity in other lands to the people of the teams, and at the same time render a useful service to the people where they go. Working together on worthwhile projects develops a spirit of fellowship within the team and with the people they help," Mr. Ison says.

PEOPLE OPEN

"The people were very open to our group, which went to them in a spirit of people-to-people contact," agreed the group. "We worked alongside them in manual labor, the girls as hard as

Eugene List Headlined In Weekend's Performance, Brevard Music Center

World-renowned pianist Eugene List headlines the weekend of July 19th-21st at Brevard Music Center. Also in the spot light will be "La Boheme" by Puccini and mezzo-soprano Mary Ann Busching.

List, who has just returned from Russia where he played at a dinner given by President Richard Nixon for Russian officials, will perform at Brevard on Sunday, July 21st. He will play Liszt's "Piano Concerto 1" with the BMC Orchestra under Henry Janiec.

The California-born musician "holds a distinguished and unique place on today's musical scene." He is a favorite with orchestra and audiences both in the U. S. and Europe. Concertizing on four continents, he has played well over 2,000 concerts and traveled more than one million miles. He is also a prolific recording artist and a member of the artist faculty of the University of Rochester's Eastman School of Music.

"La Boheme," Puccini's opera of Parisian Latin Quarter life, is considered one of the most popular Italian lyric stage works. The composer felt that the story of youthful struggle was a reflection of his own younger days and he endowed his opera with a light and spontaneous quality that underscores the tragic end.

Starring in the production as Rudolfo and Marcello are William McDonald and Perry Daniels.

McDonald (Rudolfo) returns to the Brevard faculty this summer after fulfilling engagements in Europe. In addition to his widely acclaimed concert tours he is an affiliate artist — Turn To Page Eight

Seeking New Center

Anderson Is New President Of Junior Achievement In Brevard

David Anderson, Bendix Senior Manager, was elected up as the 1974-75 school year starts. Anderson is the new President as the organization starts its search for a new meeting location. The Bryant Building has been the J. A. Center's only home since its beginning six years ago. Where it will meet in its seventh year has yet to be determined.

Other JA officers elected recently are David Miller and Jack Johnson, Vice Presidents; John Ebaugh, treasurer; and Joe Williams, secretary.

Mr. Anderson has appointed a committee to locate a suitable new J. A. Center, and he anticipates no delay in J.A.s start-up as the 1974-75 school year starts.

At the recent board meeting past President Jack Johnson expressed appreciation to Jack Bryant for his support of J.A. since 1969. Mr. Johnson pointed out:

"Mr. Bryant and most other local businesses have contributed generously toward a business learning experience for more than 500 young people here in the past several years. This financial support, plus the work of adult advisors, has given these students an insight into the free enterprise system not otherwise possible."

Senator Taylor had announced some weeks ago that he planned to bring this request before the Transportation Board because of the seriously deteriorating condition of 64.

In early 1973 Senator Taylor stated, "we concentrated efforts to see that the new highway to be constructed between

Brevard and Rosman was taken from the drawing board where it had been lying for many years and was brought to reality. The highway was included in the Governor's seven-year highway plan and purchase of rights-of-way will start at the end of this year."

Old U. S. 64 will become a secondary road, and Senator Taylor convinced the Transportation Department that despite the new road that OLD 64 needed re-surfacing because of its continuing traffic load. The repaving contract will be let during this month of July.

Resurfacing Money Is Available For U. S. 64, Brevard To Rosman

The office of State Senator Charles Taylor announces today that the Secretary of Transportation and the Board of Transportation have made funds available for resurfacing U. S. 64 from Brevard to Rosman.

Senator Taylor had announced some weeks ago that he planned to bring this request before the Transportation Board because of the seriously deteriorating condition of 64.

In early 1973 Senator Taylor stated, "we concentrated efforts to see that the new highway to be constructed between
