

Commissioners Make 1974 Actions Report

A summary review of eight months actions (May, '74 through December, '74) of the Transylvania County Commissioners.

MAY, 1974

Conducted a regular meeting in Rosman to discuss plans for ambulance operation. Received the initial Bicentennial Committee report from Chairman Bill White. Approved a proposal from Don Morrison, Human Resources Council Chairman, to add one van to the County Transportation Pool.

Gave tentative approval of a \$5,000 grant towards establishing an adult group home. Received a report from Clark Grissom and the Rural Development Panel proposing a fair ground for the county.

Preliminary discussion of development of the old tannery property for ballfields and other recreational use. Referred a request for hospital financial assistance to Eric Hansen for study. Directed the Tax Supervisor to check on billboards regarding non-listing for property taxes.

Decided to adopt Blue Cross - Blue Shield hospital insurance for county employees. Established the Emergency Medical Services Council and appointed Joe Orr as chairman. Approved the summertime day care recreation program. Endorsed again the idea of a county technical institute.

JUNE, 1974

Approved purchasing another van for the Sheltered Workshop, 100 per cent of this funding through a grant. Approved the contract for paving the multi-purpose court at Silvermont. Appointed John Eastes Chairman of the Historical Commission.

Set aside \$15,000 to cover uncollectable hospital bills for medically indigent. Passed resolution to submit bonds for funding new jail to referendum in November. Adopted a budget for fiscal year 1974-75 of \$3,284,660 and set a tax rate of \$.60.

JULY 1974

Began county operation of

old garbage dump and converted it to a proper landfill facility. Received report from Bob Robinson, chairman of Jail Commission. Received report from Jerry Purser on the "Overview" study concerning county priority needs.

Created the Land Use Board, and designated the Planning Board as the Board of Adjustment and Appeal. Adopted the State Model Sedimentation Control Ordinance. Requested quarterly reports from the Sheriff's Department.

Adopted an ordinance changing the Recreation Department to the Department of Parks and Recreation, and the Recreation Commission to the Board of Parks and Recreation.

Agreed to provide necessary funds for present school construction, and allow proper and unhurried study of best disposition of up-town school property. Approved contract to renovate old library into county office space.

AUGUST, 1974

Appointed Paul Goeser chairman of Senior Citizens Council. Approved a resolution supporting in principle the establishing of a retirement community in Transylvania County.

Heard final report from Jail Commission urging the construction of a new jail. Named Jack Johnson chairman of Land Use Board. Increased county travel allowance to 15 cents per mile.

Passed joint resolution "201" (re: Waste Water Study) with City of Brevard. Requested DOT to pave driveways of volunteer fire departments and rescue squads. Established the position of assistant animal warden, salary to be funded through a grant. Created the Economic Advisory Council and designated Bill Miller Chairman.

SEPTEMBER, 1974

Approved in concept the Transylvania County Transportation Demonstration Project; further development to be carried out by Region B.

OCTOBER, 1974

Approved lease for old tannery property, \$1 per year for five years, to be developed by county for recreational use. Created an ad hoc Council on the Status of Women, designated Dorothy Osborne chairperson. Decided to reject bids for private operation of landfill, and moved with plans for county to operate the new landfill. Approved the installing of a computer terminal in the Sheriff's Department - Police Information Network. Decided to develop a local source for meals for the adult nutrition program, possibly doubling the numbers to be served.

NOVEMBER, 1974

Suffered defeat of the Jail Bond. No additional immediate action planned. Agreed to lease to City of Brevard the county's undivided half of Franklin Park for 50 years.

Approved by-laws and new name of the Historic Properties Commission. Appropriated funds to purchase livestock scales, per request of Jerry Purser. Appointed Dr. Glen Matheny chairman of the County Health Council.

Purchased a front end loader in preparation for landfill operation at a cost of \$41,298. Approved contract with Frady's Gulf for maintenance, etc. for county vehicles. Heard preliminary discussion on the Community Development Act of 1974.

Decided to have up-town school property appraised regarding monetary value and feasible functional use. Agreed to assist in upgrading bridge at Glen Cannon, so that state maintenance can be extended.

DECEMBER 1974

Agreed to develop plans for management and performance audits for the County. Submitted request to local banks for bids regarding County General Fund custody.

Designated Gordon Tooley as chairman of the Planning Board. Hired Ray Hooper to fill the new position of maintenance director of county buildings and grounds. Approved bid of \$331,000 for renovation of elementary school into the County Human Resources Building.

PLANS UNDER CONSIDERATION AND AT VARIOUS STAGES OF DEVELOPMENT FOR THE FUTURE:

Near Future:

1. Occupancy of new county office building (old library)
2. Opening of new landfill site at Calvert.
3. Begin county clean up of unsafe (delapidated and crumbling) structures.
4. Clean up of French Broad River.
5. Writing of Community Development comprehensive program.
6. Development of old tannery site for recreation and park use.
7. Begin remodeling of elementary building for Human Resources.
8. Expansion of recreation program into various communities.

Distant Future:

1. Broad based planning for county fair ground site.
2. Development of county museum and fine arts building.
3. Develop plans for enlarged and comprehensive sheltered workshop.
