The best lumber finds a home at Lowe's, while it's on the way to your home. At Lowe's, we take the "mess and guess" out of buying lumber. Every board... each two-by-four... each joist... each timber... has an IBM data control number to maintain our inventory efficiently and orderly. Our modern lumber yards feature ample storage area, convenient loading docks, specialized delivery equipment and highly knowledgeable lumbermen who are ready to serve you. Whether you're a professional builder or a weekend do-it-yourselfer, pack up your plans and come to Lowe's. After all, we have our reputation to maintain. Need lumber? Call the lumber number.
